

CV

Personal Information:

Name: EssamEldin Abdelaziz Mohamed Ahmed Nada

Date of birth: 6/8/1957

Marital status: married

Address: Dermatology, Venereology and Andrology Department,
Faculty of Medicine, Sohag University, Sohag, Egypt.

Phone:

Clinic: 0020932337733 -0020972470061-0020972470062

Home: 0020932114411- 0020233371140

Cell Phone: 00201003458993- 00201022889066- 00201115844231

Fax: 00209323114411

e-mail: essameldin_nada@med.sohag.edu.eg

- essamnada2011@yahoo.com
- essameldinnada@yahoo.com
- essamnada2011@gmail.com

Qualifications:

- M.B., B.Ch. (1981), Faculty of Medicine, Zagazig University, Egypt.
- M. Sc. in Dermatology & Venereology (1988), Cairo University, Egypt.
- M.D in Dermatology (1994), Cairo University, Egypt.

Subject of Master Thesis :

Acneiform Eruption (supervised by Prof. Hussein Medhat El-Komy).

Subject of Doctor Thesis :

HLA Typing and Hormonal Profile in Androgenetic Alopecia (supervised by Prof. Hussein Medhat El-Komy , Prof. Mohamed Mohamed Nada , Prof. Omaila Abdel Kader Gohar and Prof. Samia Moustafa Mohamed).

Current Job:

Prof. Emeritus of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University, Egypt, from 6/8/2017 till now.

Previous Jobs:

- **Rotating internship, Banha University Hospital, from 1/3/1982 to 28/2/1983.**
- **Physician, Health Care Unit in Rural Giza, Ministry of health, from 1/3/1983 to 29/2/1984.**
- **Resident, Department of Dermatology & Venereology, Banha Educational Hospital, 1/3/1984 to 1/5/1989.**
- **Assistant Specialist, Department of Dermatology & Venereology, Banha Educational Hospital, from 2/5/1989 to 31/7/1993.**
- **Founder of Dermatology & Venereology Department, Medical Research Institute for Tropical areas, 1/8/1993.**
- **Assistant Specialist, Dermatology & Venereology Department, Medical Research Institute for Tropical areas, from 1/8/1993 to 24/5/1994.**
- **Specialist, Dermatology & Venereology Department, Medical Research Institute for Tropical areas, from 25 /5/1994 to 8/1/1995.**
- **Head of Dermatology & Venereology Department, Medical Research Institute for Tropical areas from 1 /8/1993 to 8/1/1995.**
- **Founder of Dermatology, Venereology and Andrology Department, Sohag Faculty of Medicine, South Valley University, 9/1/1995**

- Lecturer of Dermatology, Venereology and Andrology, Sohag Faculty of Medicine, South Valley University, from 9/1/1995 to 25/2/2000.
- Assistant Prof., Dermatology, Venereology and Andrology, Sohag Faculty of Medicine, South Valley University, from 26/2/2000 to 22/5/2005.
- Head (chargé d'affaires) of Dermatology, Venereology and Andrology Department, Sohag Faculty of Medicine, South Valley University, from 9/3/2000 to 7/6/2005.
- Prof. of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University from 23/5/2005 to 26/3/2013.
- Head of Dermatology, Venereology and Andrology Department, Faculty of Medicine, Sohag University, from 8/6/2005 to 26/1/2013.
- Founder of Dermatology, Venereology and Andrology, Department ,Qena Faculty of Medicine, South Valley University, 1/7/ 2005.
- Vice Dean of Faculty of Medicine, Sohag University, for community service and development environment, from 3/12/2008 to 2/12/2011.
- Mandate from Dermatology, Venereology and Andrology Department ,Faculty of Medicine, Sohag University to Dermatology, Venereology and Andrology Department , Aswan University Hospital as Prof. of Dermatology, Venereology and Andrology from 27/1/ 2013 to 26/3/2013.
- Chairman of the Board of Directors Aswan University Hospital and founder of Faculty of Medicine, Aswan University, from 27/1/ 2013 to 7/7/2014.
- Founder of Faculty of Medicine, Aswan University 4/3/ 2013.

- **Founder of Dermatology, Venereology and Andrology Department, Faculty of Medicine, Aswan University, 4/3/ 2013.**
- **Dean of Faculty of Medicine, Aswan University from 19/3/2013 to 7/7/2014.**
- **Prof. of Dermatology, Venereology and Andrology, Faculty of Medicine, Aswan University from 27/3/2013 to 7/7/2014.**
- **Prof. of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University 8/7/2014.**
- **Head of Dermatology, Venereology and Andrology Department, Faculty of Medicine, Sohag University, from 3/8/2014 to 5/8/2017.**
- **Supervisor on Dermatology, Venereology and Andrology Department, Faculty of Medicine, Aswan University from 2014 till now.**
- **Member of the Egyptian Fellowship of Dermatology Scientific Board from 1/10/2016 to 2020.**
- **Supervisor on Dermatology, Venereology and Andrology Department, Qena Faculty of Medicine, South Valley University from 2017 till now.**
- **Rapporteur of the Committee of Scientific Research Ethics, Faculty of Medicine, Sohag University from 19/ 11/2017 till now.**
- **Member of the Committee of Compulsory Egyptian Medical Training Authority (CEMTA) and Continuous Professional Development Department (CPD) from 13/ 2/2018 till now.**

Experience:

i - Field of Dermatology and Andrology:

- Hair research.
- Immunology.
- Mycology.
- Male Infertility.

ii - Activities in the field of Quality Assurance and Accreditation:

- Attended the first national workshop on accreditation of health professions institutions (second phase) in Suez Canal university, organized by EMRO-WHO (23-24 December 2004).
- Attended the first international Medical Education Conference in Alexandria, organized by Faculty of Medicine, Alexandria University (28-29 April 2005).
- Coordinator of Quality Assurance & Accreditation Project (QAAP) of Sohag Faculty of Medicine (2005-2007).
- Attended University Leaders Meeting under the title (Student Assessments: A Mandatory Requirement for Accreditation) in Assiut, organized by Assiut University in collaboration with British Council (6-11- 2006).
- Attended conference under the title (National Academic Reference Standards) organized by South Valley University (15-4- 2007).
- Attended several meeting on quality assurance in Sohag University.
- Attended workshop on Curriculum Design organized by Quality Assurance and Accreditation Center, University of Sohag (QAAC) at Sohag from 23 to 25 December, 2008.
- Attended workshop on Strategic plan (CIQAP Project), Cairo (2009).

- **Attended Training Course on : Integrated Package of higher education institutions for the rehabilitation teams to prepare self-study and accreditation files, organized by National Authority for Quality Assurance and Accreditation of Education (NAQAAE) at Cairo from 9 to 19 August, 2009.**
- **Attended First Conference of CIQAP PROJECT at Helwan University, 29 October 2009.**
- **Attended Declaration Conference on Higher Education in Egypt Country Report at Cairo, 22 March 2010.**
- **Manager of Quality Assurance Unit, Faculty of Medicine, Sohag University from March 2009 to May 2010.**
- **Executive manager of CIQAP Project, Faculty of Medicine Sohag University from March 2009 to September 2010.**
- **Attended a training course under the title of the concepts of quality assurance systems (Quality Assurance Center-Sohag University) 17/8/2010.**
- **Attended a training course under the title of the formulation and evaluation of learning outcome targeted (Quality Assurance Center-Sohag University) 08/18/2010.**
- **Attended a training course under the title of self-evaluation and preparation of self-study (Quality Assurance Center-Sohag University) 22-23/8/2010.**
- **Attended a training course under the title of Strategic Planning (Quality Assurance Center- Sohag University) 24-25/8/2010.**
- **Attended workshop on Credit Hours (The Training Programs- Medical Education Development Center, Faculty of Medicine, Sohag University), 28-30/ 6/ 2011.**

iii- Activities in the field of Training of Trainers (TOT):

- Attended workshop on Training of Trainers (TOT) in Cairo under supervision of Ministry of Higher Education & Higher Education Enhancement Project (HEEP) and Faculty and Leadership Development Project (FLDP) (8-12 May, 2004).
- Attended workshop on Teaching for Learning in Assiut under supervision of FLDP and MUCIA (13-14 July, 2004).
- Executive Supervisor on programs of (TOT) held in Sohag University.

iv- Activities in the field of Research Skills:

Attended workshop on Clinical Research Skills for Investigators in Cairo (27-28 May 2000).

v- Arbitrator for Research papers in the field of Dermatology:

- An arbitrator for the scientific production of the applicants for professors and assistant professors in the permanent Scientific Committee of the functions of the faculty members - the branch of Dermatology and Venereology (tenth session, 2008-2011) and (Eleventh session, 2013-2015). Research papers: 116.
- Member of the permanent Scientific Committee of the functions of the faculty members - the branch of Dermatology and Venereology (Eleventh session, 2013-2015).
- Member of the permanent Scientific Committee of the functions of the faculty members - the branch of Dermatology and Venereology (Twelfth session, 2016-2019).
- An arbitrator for Research Dermatology papers published in the medical journal of Sohag Faculty of Medicine (ISSN 1110-7529).

Vi- Activities in the field of community service and development environment:

- **Supervising the centers of a special nature:**
 - 1 - Center for Research and studies of monuments and restoration**
 - 2 - Center for support and follow-up graduates**
 - 3 – Center for Routing and psychological guidance**
 - 4 - Center for Rehabilitation and Evaluation of Real Estate**
 - 5 - Center for Community Service and Environmental Development**
- **Supervision of human medical convoys in rural areas of Sohag Governorate in cooperation with Sohag Faculty of Medicine and the National Council for Youth.**
- **Supervision of a medical convoy in city of Safaga , Red Sea Governorate.**
- **Organizing a symposium on (H1 N1: hazards and needs) in Sohag University ,7/6/2010.**
- **Participation in the activities of environmental week at the University of Sohag, 23 to 31 March 2010.**

Editor in Journals:

- **Journal of Community and Environment Studies (JCES), Sohag University ([.www.jces.sohag-univ.edu.eg](http://www.jces.sohag-univ.edu.eg)).**
- **Human Andrology (www.humanandrology.com).**
- **Henry Journal of Clinical, Experimental and Cosmetic Dermatology**
(<http://www.henrypublishinggroup.com/index.php/dermatology/about/editorialTeam>)

Reviewer in Journals:

- **Journal of Gynecology Research (JGR)**
- **Bio Accent Journal Dermatology (BOAJ)**
(<http://bioaccent.org/dermatology/editorialboard.php>)
- **Andrologia**
- **Dermatologic Therapy**
- **HSOA Journal of Community Medicine & Public Health Care.**
- **Journal International Medical Research.**
- **Journal of Cosmetic Dermatology.**

Medical Society Membership:

1. **American Academy of Dermatology (AAD).**
2. **European Academy of Dermatology and Venereology (EADV).**
3. **International Society of Dermatology (ISD).**
4. **International Society for Sexual Medicine (ISSM).**
5. **European Society for Sexual Medicine (ESSM)**
6. **International Society of Andrology (ISA).**
7. **Andrology Mediterranean Association (AMA).**
8. **Egyptian Afro-Asian Assisted Fertilization and Conception Association (EAAAFCA).**
9. **Pan Arab Society for Sexual Medicine (PASSM).**
10. **Pan Arab Society of Andrological Sciences (PASAS).**
11. **Pan Arab League of Dermatologists.**
12. **Egyptian Society of Andrology.**
13. **Egyptian Society of Dermatology & Venereology.**
14. **Egyptian Society of Dermatology & Venereology, Branch of The Egyptian Medical Association.**
15. **Egyptian Society of Sexual Medicine and Surgery (ESSMS).**

Scientific Publications:

International Journals:

- **Article:** Increased sperm nuclear DNA damage in normozoospermic infertile men: a prospective study. *Fertility & Sterility*, Vol. 78, No.2, August 2002, p.313-318.
- **Article:** Negative effects of sperm nuclear DNA damage on the fertility potential of couples with idiopathic and male-factor infertility. *Fertility & Sterility*, Vol. 78, September, (Suppl. 1) 2002, p.61.
- **Article:** Seminal oxidative stress (OS) is highly correlated with sperm DNA damage in men with idiopathic and male-factor infertility. *Fertility & Sterility*, Vol. 78, September, (Suppl. 1) 2002 ,p.261-262.
- **Article:** Leukocytospermia is associated with increased reactive oxygen species production by human spermatozoa. *Fertility & Sterility*, Vol. 78, No. 6, December 2002, p.1215-1224.
- **Article:** Negative effects of increased sperm DNA damage in relation to seminal oxidative stress in men with idiopathic and male factor infertility. *Fertility & Sterility*, Vol. 79, (Suppl.3), June 2003, p.1597-1605.
- **Article:** Phenotypic Characterization Of The Immune And Mast Cell Infiltrates In The Human Testis Showing Normal And Abnormal Spermatogenesis. *Fertility & Sterility*, Vol.83, No. 5, May 2005, p.1447-1453.

- **Article:** Human scalp skin and hair follicles express neurotrophin-3 and its high-affinity receptor tyrosine kinase C, and show hair cycle-dependent alterations in expression. *Br J Derm.* 2005,153, p.514-520.
- **Article:** Expression of nerve growth factor and its high-affinity receptor, tyrosine kinase A proteins, in the human scalp skin. *Journal of Cutaneous Pathology.* 2006; 33(8):559-68.
- **Article:** Phenotypical Characteristics of the Immune Cells in Allergic Contact Dermatitis, Atopic Dermatitis and Pityriasis Rosea. *Pathology & Oncology Research*, 2009; 15(1):73-79.
- **Article:** Oxidative stress and epididymal sperm transport, motility and morphological defects. *European Journal of Obstetrics & Gynecology and Reproductive Biology (EJOGRB).* Vol.144, May (Suppl.1), 2009, p.S199-S203.
- **Article:** The Association between Lichen Planus and Hepatitis C virus. *Journal of American Science.* 7(2), 2011, p.277-282.
- **Article:** Oxidative stress and acrosomal morphology: A cause of infertility in patients with normal semen parameters. *Middle East Fertility Society Journal.* Vol 20, Issue 2, June 2015, p79-85.
- **Article:** Efficacy of Tamoxifen and L-carnitine on Sperm Ultrastructure and Seminal Oxidative Stress in patients

with idiopathic Oligoasthenoteratozoospermia. *Andrologia*. Volume 47, Issue 7, Sep 2015, P.801–810.

- **Article:** Relationship between erectile dysfunction and silent myocardial ischemia in diabetic patients: a multidetector computed tomography coronary Angiographic Study. *Sex Med, Open Access* 2016 Sep; Vol 4, Issue 3:e127- e134.

Conference Proceeding:

- **Conference Proceeding:Leukocyte induced reactive oxygen species (ROS) production in sperm from leukocytospermic samples(in proceeding of Seventh International congress of Andrology, 15-19 June, 2001, Montreal, Canada).**
- **Conference Proceeding:Seminal leukocytes stimulate high reactive oxygen species production by human spermatozoa(in proceeding of Annual Meeting of the**

European Society of Human Reproduction and Embryology (ESHRE), 1-4 July, 2001, Lausanne, Switzerland).

- **Conference Proceeding:Leukocytospermia is associated with poor semen quality, oxidative stress and increased DNA damage. **Fertility and Sterility**, Volume 76, Issue 3, Supplement 1, September 2001, Pages S152-S153(in proceedings of Annual Meeting of the American Society for Reproductive Medicine, (ASRM), 20-25 Oct., 2001, Orlando, Florida, USA).**
- **Conference Proceeding:**Increased potential for high reactive oxygen species generation in pure sperm from leukocytospermic patients. **Fertility and Sterility**, Volume 76, Issue 3, Supplement 1, September 2001, Page S156(in proceedings of Annual Meeting of the American Society for Reproductive Medicine, (ASRM), 20-25 Oct., 2001, Orlando, Florida, USA).
- **Conference Proceeding:Assessment of sperm nuclear DNA damage is predictive of the outcome of assisted reproductive techniques (ART) in couples with male factor infertility. J Urol. 2002 Apr;167(4 Suppl):1-425(in proceedings of American Urological Association (AUA) 97th Annual Meeting ,Orlando, FL , USA ,May 25-30, 2002)**
- **Conference Proceeding:Inter-sample variability in post-thaw motility and motion kinetics of cryopreserved human sperm. Journal of Andrology Supplement,2002**

(In proceedings of Annual Meeting of American Society of Andrology, 24-28 Apr., 2002, Washington, USA).

- Conference Proceeding: Reduction of seminal antioxidant capacity in infertile men with leukocytospermia: A prospective study. Journal of Andrology Supplement, 2002 (in proceedings of Annual Meeting of American Society of Andrology, 24-28 Apr., 2002, Washington, USA).
- Conference Proceeding: Serum cytokines in Alopecia Areata (in proceedings of Twenty world congress of Dermatology, 30 June- 5 July, 2002; Paris, France).
- Conference Proceeding: Serum Soluble Fas, Bcl-2 Proteins and IL-6 Levels in Patients with Psoriasis Vulgaris and their correlations to disease activity. Clinical and Investigative Medicine (CIM), Vol. 27, No 4, August 2004, p62A (in proceedings of Twelfth International Congress of Immunology and 4th Annual Conference of the Federation of Clinical Immunology Societies. 18-23 July, 2004-Montreal, Canada).
- Conference Proceeding: The effect of narrow band UVB therapy on serum IL-2R, IL-6 AND TNF- alpha levels in patients with Vitiligo (in proceedings of Fourteenth Annual Congress of the European Academy of Dermatology and Venereology, 12-16 Oct., 2005-London, UK).

- **Conference Proceeding: Comparative study between the effect of calcipotriol and combination of calcipotriol and mometasonefuroate on apoptosis in psoriatic patients. (in proceedings of Twenty-One World Congress of Dermatology, 30 Sep. - 5 Oct., 2007, Buenos Aires, Argentina).**
- **Conference Proceeding:Phenotypic characterization of inflammatory cellular infiltrate in lesional skin from patients with pityriasis rosea (in proceedings of Seventieth Congress of the European Academy of Dermatology and Venereology, 17-21 Sep., 2008, Paris, France).**
- **Conference Proceeding:The use of escitalopram in treatment of patients with premature ejaculation: a randomized, double-blind, placebo-controlled study. Journal of Sexual Medicine,Jan 2009;6(Suppl 2),p 182 (in proceedings of Joint Congress of the European and International Societies for Sexual Medicine,7-11Dec.,2008,Brussels, Belgium).**
- **Conference Proceeding:Oxidative Stress in idiopathic Oligoathenoteratozoospermia (iOAT) and its Relation to Midpiece and Mitochondrial Anomalies(in proceedings of Ninth International Congress of Andrology, 7-10 March 2009, Barcelona, Spain).**

- Conference Proceeding: Negative effects of male sexual dysfunction on female sexual response: results of a direct questionnaire of 521 married women from upper Egypt. *Fertility and Sterility*, Vol. 92, Issue 3, Suppl.1, September 2009, P.S19.
- Conference Proceeding: Pattern of skin diseases in a rural area from sohag governorate, Upper Egypt (in proceedings of Eighteenth Congress of the European Academy of Dermatology and Venereology, 7-11 October 2009, Berlin, Germany).
- Conference Proceeding: Prevalence and patterns of male genital anomalies in upper Egypt: a cross-sectional community-based study of 1134 infants. *Fertility and Sterility*, Volume 96, Issue 3, Supplement, September 2011, P. S229 (in proceedings of Annual Meeting of the American Society for Reproductive Medicine, (ASRM), 15-19 Oct., 2011, Orlando, Florida, USA).
- Conference Proceeding: A Comparison between Citalopram and Escitalopram in treatment of patients with premature ejaculation: A double-Blind Controlled Clinical Study. *Journal of Sexual Medicine*, Aug 2012;6(Suppl 2) ,p 261(in proceedings of World Meeting on Sexual Medicine jointly organized by the Sexual Medicine Society of North America (SMSNA) and the International Society for Sexual Medicine (ISSM) ,26-30 August 2012, Chicago ,IL USA).

- **Conference Proceeding:** Epidemiological and clinical study of melasma in Sohag Province, Upper Egypt. (in proceedings of Twenty-one Congress of the European Academy of Dermatology and Venereology, 27-30 September 2012, Prague, Czech Republic).
- **Conference Proceeding:** Deformity and Disability Rate in Leprotic Patients in Sohag Governorate, Upper Egypt (in proceedings of Third Continental Congress of Dermatology of the International Society of Dermatology (ISD) and 65th National Congress of the Dermatology Society of South Africa, 24-27 October 2012, Durban, South Africa).
- **Conference Proceeding:** Prevalence and severity of erectile dysfunction in chronic renal failure patients under haemodialysis in Sohag city, Upper Egypt. Andrology (Journal of American Society of Andrology and European Academy of Andrology) ,Vol 1 Supplement S1, March 2013, p 83(in proceedings of Tenth International Congress of Andrology ,22-26 Feb.2013, Melbourne , Australia).
- **Conference Proceeding:** Assessment of oxidative stress indices in patients with acne vulgaris (in proceedings of Twelfth World Congress of Pediatric Dermatology, 25-27 Sep 2013, Madrid, Spain).
- **Conference Proceeding:** Pattern of scalp affection in primary school children in Sohag, Upper Egypt.

Journal of the American Academy of Dermatology, Volume 70, Issue 5, Supplement 1, May 2014, Page AB83. (in proceedings of Seventy-two Annual Meeting of American Academy of Dermatology (AAD), 21-25 March, 2014 , Denver,, Clorado, USA).

- **Conference Proceeding: Efficacy of Tamoxifen and L-carnitine on Sperm Ultrastructure and Seminal Oxidative Stress in patients with idiopathic Oligoasthenoteratozoospermia. Journal of Sexual Medicine, Jan.2015; Vol 12(Suppl. 1),p 88-89 (In proceedings of Sixteenth World Meeting on Sexual Medicine organized by the International Society for Sexual Medicine (ISSM), 8-12 Oct. 2014, Sao Paulo, Brazil.).**
- **Conference Proceeding: Skin Manifestations of Liver Diseases in Sohag University Hospital, Egypt. (In proceedings of Twelfth European Academy of Dermatology and Venereology Spring Symposium,5-8 March 2015. Valencia, Spain).**
- **Conference Proceeding: Dermatological Manifestations of Diabetes Mellitus in Sohag University Hospital, Egypt. (In proceedings of Twelfth European Academy of Dermatology and Venereology Spring Symposium,5-8 March 2015. Valencia, Spain).**
- **Conference Proceeding: Patterns of viral skin infections in sohag province, Egypt. (In proceeding**

Twenty-Three World Congress of Dermatology, 8 - 13 June, 2015, Vancouver, Canada).

- **Conference Proceeding: Relationship between erectile dysfunction and silent myocardial ischemia in diabetic patients: a multidetector computed tomography coronary. Journal of Sexual Medicine, Vol 13, Issue 6, Supplement June 2016, p 264 . (In proceedings of 3rd Biennial Meeting of the Middle East Society for Sexual Medicine (MESSM) ,15-17 Oct. 2015, Cairo, Egypt).**
- **Conference Proceeding: Prognostic factors affecting severity of radiation-induced fibrosis. (In proceeding of 8th BGICC (Breast Gynecological International Cancer Conference), 14-15 Jan. 2016, Cairo, Egypt).**
- **Conference Proceeding: Prognostic factors affecting severity of radiation-induced fibrosis. Journal of Clinical Oncology, Vol. 34 ,Issue 3, Supplement. Jan 2016, e280. (In proceedings of Cancer Survivorship Symposium: Advancing Care and Research, 15-16 Jan. 2016, San Francisco, CA).**
- **Conference Proceeding: Intralesional injection of triamcinolone acetonide in treatment of Radiation Induced Fibrosis. Radiotherapy and Oncology, April 2016; Volume 119, Supplement 1, Page S680 (In proceeding ESTRO ;European Society for Therapeutic Radiology and Oncology, 29 Apr-3 May 2016, Turin, Italy).**

- **Conference Proceeding:** A comparative study between topical minoxidil with various concentrations and systemic finasteride in treatment of female pattern hair loss.
(In proceedings of 13th European Academy of Dermatology and Venereology Spring Symposium, 19-22 May 2016, Athens, Greece).
- **Conference Proceeding:** Intralesional injection of triamcinolone acetonide in treatment of Radiation Induced Fibrosis. (In proceedings of 13th European Academy of Dermatology and Venereology Spring Symposium, 19-22 May 2016, Athens, Greece).
- **Conference Proceeding:** Efficacy of Medical Treatment in the form of Tamoxifen, Oral Zinc and (Diosmin and Hesperidin) in varicocele patients presenting with oligoasthenoteratozoospermia. Journal of Sexual Medicine, Vol 14, Issue 1 , Supplement Jan 2017, p S63-64 . (In proceedings of 20th World Meeting of Sexual Medicine, 22-25 Sep. 2016, Beijing, China).
- **Conference Proceeding:** Dermoscopic findings in Alopecia Areata and their prognostic values after treatment. (In proceedings of 25th European Academy of Dermatology and Venereology Conference, 28 Sep.- 2 Oct. 2016, p1041, Vienna, Auustria).
- **Conference Proceeding:** Predictive value of serum Interleukin 6 and Interferon- in leprosy patients. (In

proceedings of 25th European Academy of Dermatology and Venereology Conference, 28 Sep.-2 Oct. 2016,p.1374, Vienna, Auustria)

- Conference Proceeding:Value of Dermoscopic examination in diagnosis of suspicious skin lesions.(In proceedings of 25th European Academy of Dermatology and Venereology Conference, 28 Sep.-2 Oct. 2016,p.1001, Vienna, Auustria).
- Conference Proceeding:Efficacy of microneedling with topical vitamin C in treatment of melasma. Pigment Cell & Melanoma Research, January 2017, p 25 (In proceedings of Vitiligo International Symposium 2-3 December, 2016, Rome, Italy).
- Conference Proceeding:Possible role of Interleukin-17 and Macrophage Migration Inhibitory Factor in Cutaneous Warts.(In proceedings of 26th European Academy of Dermatology and Venereology Conference,(13-17 September 2017, Geneva, Switzerland.).
- Conference Proceeding:Tacrolimus versus Narrow Band-UVB in the treatment of Vitiligo: A clinical and laboratory evaluation.(In proceedings of 26th European Academy of Dermatology and Venereology Conference,(13-17 September 2017, Geneva, Switzerland.).

- Conference Proceeding: Expression of Nerve Growth Factor (NGF) and its receptor (TrKA) in chronic renal failure patients with pruritus. (In proceedings of 26th European Academy of Dermatology and Venereology Conference, (13-17 September 2017, Geneva, Switzerland.).

Supervisor of Theses:

- M.D Theses:

1. Predicting Fertilization in an A.R.T Program in Patients with Male Factor Infertility {Sohag University}(1999-2003).
2. Cytokines in Vitiligo {Sohag University} (2001-2005).
3. Comparative study between the effect of Calcipotriol and combination of Calcipotriol and Mometazone Furoate on apoptosis in psoriatic patients {Sohag University} (2002-2006).
4. Radical oxidative species (ROS) in OAT patients and its effect on spermatogenesis {Sohag University} (2005-2009).
5. Pattern of Congenital anomalies in male infants in Sohag Governorate {Sohag University} (2007-2011).
6. Assessment of oxidative stress indices in patients with acne vulgaris {Sohag University} (2008-2012).
7. A comparison between Citalopram and Escitalopram in treatment of patients with premature ejaculation: A double-Blind Controlled Clinical Study {Sohag University}(2008-2012).
8. Efficacy of Tamoxifen and L-Carnitine on Sperm Ultrastructure in patients with idiopathic oligoasthenoteratozoospermia {Dermatology Dept., Kena

Faculty of Medicine, South Valley University}(2011-2014).

- 9. A comparative study between topical minoxidil with various concentrations and systemic finasteride in treatment of female pattern hair loss{Sohag University}(2011-2015).**
- 10. Relationship between erectile function and silent myocardial ischemia in diabetic patients {Sohag University} (2011-2016).**
- 11. Leptin concentration in seminal plasma of infertile men and relationship to semen parameters and some hormonal levels {Dermatology Dept.,Qena Faculty of Medicine, South Valley University}(2015-2017).**
- 12. Y-Chromosome Microdeletion Analysis in Infertile Men from Upper Egypt{Sohag University}(2011-2017).**
- 13. Efficacy of microneedling with with topical vitamin C application in treatment of acne scarring{Sohag University} (2013-2018).**
- 14. Role of nerve growth factor (NGF) and its receptor TrR A in hepatic pruritus{Sohag University}(2014-2018).**
- 15. Topical dutasteride with microneedling in treatment of male androgenetic alopecia{Sohag University}(2015-2018).**
- 16. Phenotypic Characterization of T cell Population in the Recipient Skin of Patients with Stable Vitiligo Undergoing Autologous Melanocyte Keratinocyte Transplantation Surgery {Sohag University} (2015).**

17. ER: YAG Laser plus Topical 5- Fluorouracil versus NB-UVB Phototherapy in the treatment of Acral Vitiligo: Clinical & Laboratory Evaluation {Aswan University}(2017).
18. Comparative Study between the Effect of Superficial Cryotherapy using Dimethyl Ether and Propane Mixture and Microneedling in Treatment of Alopecia Areata. {Sohag University} (2017).
19. Macrophage migration inhibitory factor in unstable vitiligo patients treated with oral corticosteroid, narrow-band ultraviolet B and methotrexate.{Dermatology Dept.,Qena Faculty of Medicine, South Valley University}(20-3-2018).

- M.Sc Theses:

1. Clinical and mycological study of Tinea Capitis in Sohag province{Sohag University} (1995-1997).
2. Cytokines in Alopecia Areata{Sohag University}(1998-2000).
3. Epidemiological, clinical and Mycological study of Tinea Pedis in Sohag Governorate{Sohag University}(1999-2001).
4. Detection and Differentiation of Causative Fungi of Onychomycosis Using Polymerase Chain Reaction (PCR){Microbiology and Immunology Dept., Faculty of Medicine, Sohag University} (2001-2003).

5. Electron microscopic study of Spermatozoa in smokers {Sohag University} (2001-2004).
6. Psychological Aspects of Psoriasis{Sohag University} (2002-2004).
7. Role of Sperm function tests in the evaluation of male infertility {Sohag University} (2004-2005).
8. Comparative study between the effect of oral Ivermectin and topical Crotamiton in treatment of PediculosisCapitis among school children in Sohag Governorate{Sohag University}(2004-2005).
9. Role of Zinc in skin diseases {Sohag University}(2004-2005).
10. Cutaneous manifestations of chronic renal failure{Sohag University} (2005-2006).
11. Analysis of skin infiltrating mononuclear inflammatory cells in skin lesions with Psoriasiformhyperplasia{Sohag University} (2004-2006).
12. The efficacy of Escitalopram in the treatment of patients with premature ejaculation {Sohag University}(2005-2007).
13. Incidence of Erectile Dysfunction among diabetic patients by colour Doppler ultrasonography {Radiology Dept., Faculty of Medicine, Sohag University} (2005-2007).

- 14. Effects of Diabetes Mellitus on male reproductive function{Sohag University} (2006-2008).**
- 15. Therapeutic applications of light in skin diseases{Sohag University} (2006-2008).**
- 16. Diseases affecting skin and musculoskeletal system {Sohag University}(2007-2008).**
- 17. Peyronie's disease{Sohag University} (2007-2009).**
- 18. Effect of acne vulgaris on quality of life.{Sohag University} (2008-2010).**
- 19. Effect of vitiligo on quality of life.{Sohag University}(2008-2010).**
- 20. The relationship between hair loss and serum iron level {Sohag University}(2008-2011).**
- 21. Prevalence and Severity of Erectile Dysfunction in Chronic Renal Failure patients under haemodialysis in Sohag City.{Sohag University} (2008-2011).**
- 22. Patterns of Viral Skin Infections in Sohag Province. (2008-2011).**
- 23. Association between lichen planus and hepatitis –C virus.{Sohag University}(2008-2011).**
- 24. Epidemiological and clinical study of melasma in Sohag Province.{Sohag University} (2008-2011).**

25. Dermatological Manifestations of Diabetes Mellitus in Sohag Governorate. {Sohag University}(2009-2011).
26. Deformity and Disability Rate in Leprotic Patients in SohagGovernorate{Sohag University} (2009-2011).
27. Skin manifestations of Liver diseases in SohagGovernorate{Sohag University} (2009-2011).
28. Pattern of scalp affection in primary school children in Sohag province {Sohag University}(2009-2012).
29. Efficacy of dermoscopy versus skin biopsy in diagnosis of epidermal skin tumors {Dermatology Dept.,Qena Faculty of Medicine, South Valley University}(2012-2015).
30. Intraregional injection of triamcinolone acetonide in treatment of Radiodermatitis {Sohag University}(2012-2014).
31. Prevalence of skin diseases among school children with disabilities in Sohag governorate {Sohag University} (2013-2014).
32. Prevalence of Acne in secondary school- aged adolescents in Sohag Province {Sohag University} (2013-2016).
33. Dermoscopic findings in Alopecia Areata and their prognostic values with treatment {Dermatology Dept.,Qena Faculty of Medicine, South Valley University}(2014-2015).

34. Efficacy of medical treatment for oligoasthenoteratozoospermia in patients with varicocele {Dermatology Dept., Qena Faculty of Medicine, South Valley University} (2014-2015).
35. Efficacy of microneedling with topical vitamin C in treatment of melasma {Sohag University} (2015-2016).
36. Serum level of macrophages migration inhibitory factor in patients with cutaneous warts {Sohag University} (2015-2016).
37. Predictive Value of Serum interleukin-6 and interferon- in Leprotic Patients {Dermatology Dept., Qena Faculty of Medicine, South Valley University} (2013-2016).
38. Expression of Nerve Growth Factor (NGF) and its receptor (TrKA) in chronic renal failure patients with pruritus {Sohag University} (14/7/2014-6/11/2016).
39. Efficacy of Griseofulvin versus Terbinafine in Tinea Capitis as regard Clinical and Mycological Evaluation {Dermatology Dept., Faculty of Medicine, Aswan University} (11/2015-23/12/2016).
40. Serum Level of Interleukin -17m RNA in Vitiligo patients treated by Narrow Band –UVB compared with Medical Treatment {Dermatology Dept., Faculty of Medicine, Aswan University} (11/2015-23/12/2016).

- 41. Efficacy of sildenafil citrate in the treatment of female sexual dysfunction{Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (15-11-2015-15-5-2018).**
- 42. Nail dermoscopy versus the culture in diagnosis of onychomycosis{Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (16-4-2016-25-7-2018).**
- 43. Tissue and serum level of vitamin D and interleukin -17 in patients with acne vulgaris {Sohag University} (14/7/2016-8/1/2018).**
- 44. Intralesional inection of vitamin D3 versus zinc sulphate 2% in treatment of plantar warts: a comparative study Sohag University} (15/1/2017-6/5/2018).**
- 45. Erbium-YAG laser versus Platelet Rich Plasma in treatment of atrophic acne scars {Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (15-1-2017).**
- 46. The relation between serum follicle-stimulating hormone level and the success of microdissection testicular sperm extraction (micro TESE) in patients with non obstructive azoospermia{Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (14-5-2017-10-7-1018).**
- 47. Role of therapy using Human chorionic gonadotropin and anti-oxidants in post varicocelelectomy infertile**

patients.(Randomized clinical trial){Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (14-5-2017).

48. Assessment of autophagy in psoriasis vulgaris patients with metabolic syndrome. {Sohag University} (13/11/2017).
49. Relation between Acne Vulgaris and Metabolic Syndrome in males .Sohag University} (15 /4/2017).
50. Evaluation of the efficacy of intralesional injection of tuberculin purified protein derivative (PPD) versus cryotherapy in treatment of multiple common warts. {Dermatology Dept.,Qena Faculty of Medicine, South Valley University} (20-3-2018).
51. Effectiveness of narrow-band ultraviolet-B (NB UVB) therapy versus methotrexate on serum tumor necrosis factor-alpha(TNF-) in patients with lichen planus.{Dermatology Dept.,Qena Faculty of Medicine, South Valley University}(20-3-2018).

Defense and Discussion of Theses:

I- M.D Theses:

1. The role of hormones, cytokines and soluble Fas in regulation of germ cell apoptosis in men with varicocele, Assiut University (2006).

2. Prevalence of common skin diseases among elderly patients at Assiut University Hospital ([Geriatric Nursing Dept , Faculty of Nursing ,Assiut University]) (2011).
3. Pattern of Skin Diseases in Rural of Lahj Governorate in Yemen, Assiut University (2011).
4. Dermoscopic changes in hirsute patient before and after long pulsed ND-YAG Laser. Al-Azhar University (Assiut). (2014).
5. Efficacy of different therapeutic modalities in treatment of stable vitiligo(Azhar Assiut) (31-5-2016)

- M.Sc Theses:

1. Role of color Duplex ultrasonography in evaluation of Impotence. [Radiology Dept., Faculty of Medicine, Sohag University] (2002).
2. The use of KTP (Potassium-titanyl phosphate) Laser in the treatment of cutaneous vascular disorders. Assiut University (2005).
3. Quality of life in Acne vulgaris patients. Assiut University. (2006).
4. Cryopreservation of human spermatozoa. Assiut University. (2007).

- 5. Hypo-Osmetic swelling test in subfertile patients with and without varicocele. Assiut University. (2007).**
- 6. Phototherapy in vitiligo. Assiut. University. (2008).**
- 7. Disorders of hair pigmentation. Cairo University. (2009).**
- 8. Ejaculatory Disorders Assiut University (2009).**
- 9. Laboratory Diagnosis and Treatment of the Connective Tissue Diseases. Assiut University. (2009).**
- 10. Semen parameters in [HCV] –Seropositive patients and their relations to hepatic fibrosis. Assiut University. (2009).**
- 11. The effect of Varicocelectomy in Azoospermic patients. Assiut University. (2009).**
- 12. Management of Premature Ejaculation: Efficacy of Paroxetine. Assiut University. (2009).**
- 13. Facial Wrinkles (Use of botulinum toxin-A in the upper third of face. Assiut University. (2009).**
- 14. Oral and nasal lesions in multibacillary leprosy. Assiut University. (2010).**
- 15. Narrow band UVB phototherapy & khellin photochemotherapy (KUVA) in treatment of Alopecia Areata. Assiut University. (2010).**

- 16. Effect of surgical Varicocelelectomy on semen parameters patients. Assiut University. (2010).**
- 17. Analysis of the Trichology data revealed by the trichogram in two common patterns of Hair loss: Alopecia Areata and Telogen Effluvium. Assiut University. (2010).**
- 18. Diagnosis of TineaCapitis: Comparison between Wood's lamp, KOH examination and culture. Assiut University. (2010).**
- 19. Trichloroacetic acid versus salicylic acid in the treatment of Acne Vulgaris. Assiut University. (2011).**
- 20. Pattern of skin diseases among children attending Dermatology outpatients clinics in Assiut University Hospitals. Assiut University. (2012).**
- 21. Pattern of some Genodermatoses in Upper Egypt (Assiut). Assiut University (2012).**
- 22. Lipid Profile in patients with psoriasis. Sohag University. (2012).**
- 23. Study of serum leptin levels in patients with premature ejaculation before and after treatment by fluoxetine. Alexandria University. (2012).**
- 24. Evaluation of the role of CD117 AND S100 expression in Basal Cell Carcinoma: A retrospective study. Tanta University. (2012).**

- 25. Sexual Functions in Men with Hepatitis C Undergoing Treatment with Interferon plus Ribavirin. Sohag University. (2013).**
- 26. Oxidative stress in classic type lichen planus. Sohag University. (2013).**
- 27. Role of glial cell- derived neurotrophic factor (GDNF) family members in vitiligo. Sohag University. (2013).**
- 28. Role of glial cell- derived neurotrophic factor (GDNF) family members in Lichen planus. Sohag University. (2013).**
- 29. Cutaneous manifestations of chronic hepatitis C virus patients receiving interferon pluribavirin therapy .Sohag University. (2013).**
- 30. Efficacy of carbon dioxide laser in treatment of epidermal nevi. Tanta University. (2013).**
- 31. Serum glutathione peroxidase activity level in vitiligo patients. Assiut University.(2013)**
- 32. Skin manifestations of polycystic ovary syndrome. Assiut University. (2013).**
- 33. Platelet rich plasma; A Novel therapy for alopecia areata and androgenetic alopecia. Assiut University. (2013).**

- 34. Combined jessner's solution and trichloroacetic acid versus trichloroacetic acid chemical peeling in melasma. Assiut University. (2013).**
- 35. Evaluation of sexual functions in men patients with leprosy. Sohag University. (2014).**
- 36. Comparative study of the use of Botulinum Toxin A, Hyaluronic acid and combination of Both in management of upper facial Rhytides. Alexandria University. (2014).**
- 37. Clinicopathological consistency in skin disorders at Assiut University Hospital. Assiut University. (2014).**
- 38. Sexual Dysfunctions in Women with Diabetes Mellitus in Upper Egypt .Sohag University. (2014).**
- 39. Quality of life in leprosy patients from Sohag Governorate. Sohag University. (2014).**
- 40. Trend of skin diseases pattern among patients attending Dermatology outpatient clinic in Assiut University Hospital. Assiut University. (8-6-2014).**
- 41. Evaluation of serum thyroid autoantibodies in patients with vitiligo. Al-Azhar University (Assiut). (26-6-2014).**
- 42. Evaluation study of treatment of chronic urticaria with combination of both H1 plus H2 receptor antagonist in comparison to use of H1 receptor antagonist only. Al-Azhar University (Assiut). (26-6-2014).**

- 43. Female sexual dysfunction in diabetic women. Assiut University.(16-8-2014)**
- 44. Comparison between efficacy of IPL and ND-YAG Laser in treatment of Acne vulgaris. Al-Azhar University (Assiut). (23-12-2014).**
- 45. Dermoscopic features compared to histopathological examination of some inflammatory skin diseases. Assiut University. (14-2-2015).**
- 46. Prevalence of Hepatitis C Virus in Psoriasis. Sohag University. (15-6- 2015).**
- 47. Oxidative stress in leprosy. Sohag University. (15-6- 2015).**
- 48. Intraregional tuberculin PPD in treatment of palmar and plantar warts. Assiut University. (5-7-2015).**
- 49. Female Sexual Dysfunction in Upper Egypt [Prevalence & Risk Factors] .Assiut University. (28-9-2015).**
- 50. Prevalence of pediculosis capitis among primary school children in Assiut City –Upper Egypt .Assiut University. (6-10-2015).**
- 51. Comparative efficacy of 20% trichloroacetic acid and 70% glycolic acid peels in treatment of epidermal melasma. Sohag University. (19-12- 2015).**

- 52. Role of insulin like growth factor-1(IGF-1) in active acne and acne scars .Sohag University. (24-1- 2016).**
- 53. Scoring systems in Dermatology: Measurement of the effect of two modalities in pemphigus vulgaris .Assiut University. (26-4-2016).**
- 54. Study of pubertal changes among boys in Sohag Governorate. Sohag University. (24-5-2016).**
- 55. Outcome of ICSI using cryopreserved testicular sperm from infertile with varicocele –associated azospermia. Sohag University. (24-5-2016).**
- 56. Epidemiology of Suprfacial fungal infections in Sohag Governorate. Sohag University. (24-5-2016).**
- 57. A study of prevalence of cutaneous changes in pregnant women attending El- Shatby University Maternity Hospital in Alexandria .Alexandria University. (26-5-2016).**
- 58. Validation of a new Arabic version of Skindex-16 and quality of life measurement for Egyptians with skin disease .Assiut University. (9-6-2016).**
- 59. Serum level of Interleukin 17 in the patients with cutaneous warts. Sohag University. (16-7-2016).**
- 60. Efficacy of narrow band UVB on the serum level of 25 hydroxyvitamin D in vitiligo patients. South Valley University. (23-12-2016).**

- 61. Efficacy of 5% minoxidil in 90% ethanol plus 5% propylene glycol as compared to 5% minoxidil in pure ethanol in treatment of women with androgenetic alopecia: a double blind, placebo – controlled study. Sohag University (15-1-2017).**

- 62. Pattern of chronic urticarial in Sohag University Hospitals. Sohag University. (15-2-2017).**

- 63. Serum level of Vitamin D and Interleukin 17 in Isotretinoin-treated acne patents. South Valley University (9-3-2017).**

- 64. Skin disorders and obesity: a comparative study. Assiut University (9-3-2017).**

- 65. Salicylic -Mandelic acid versus Jessner's Solytion in Active acne vulgaris: A comparative study. Assiut University (13-4-2017).**

- 66. Role of Dermoscopy in detection of female pattern hair loss among patients with chronic diffuse hair loss. Assiut University (11-7-2017).**

- 67. A comparative study between mini punch graft , hair follicle transplant and suction blistering in treatment of patients with stable vitiligo .Sohag University. (29-7-2017).**

- 68. The effect of in-vitro myoinositol supplementation of human sperm on the outcome of cryopreservation. Sohag University. (31-7-2017).**
- 69. Serum levels of leptin hormone and Malondialdehyde in patients with psoriasis vulgaris . South Valley University (5-8-2017).**
- 70 . Prevalence of warts among primary school children in Tema district in Upper Egypt. Assiut University. (1-11-2017).**
- 71. Evaluation of YKL-40 and Fetuin-A serum levels and assessment of carotid intimal thickness in patients with psoriasis and their relations to severity of the disease. Alexandria University. (15-11-2017).**
- 72. Impact of obesity on semen parameters and sperm DNA integrity in infertile males and its relation to serum, seminal insulin and glucose. Assiut University. (14-1-2018).**
- 73. Assessment of serum levels of 25- hydroxyl vitamin D in men with erectile dysfunction. Aswan University. (10-5-2018).**
- 74 . Impact of male infertility on quality of life. Assiut University. (16-5-2018).**
- 75. Assessment of serum iron and vitamin D in lactating women with telogen effluvium. Aswan University. (26-7-2018).**

76. MSc Thesis: Impact of Alopecia Areata on Egyptian Patient' Quality of Life . Assiut University. (29-7-2018).

Attendance of International Conferences:

1. Twenty-six Congress of the European Academy of Dermatology and Venereology, 13-17 September 2017, Geneva, Switzerland.

Poster presentation:

- **Possible role of Interleukin-17 and Macrophage Migration Inhibitory Factor in Cutaneous Warts.**
- **Tacrolimus versus Narrow Band-UVB in the treatment of Vitiligo: A clinical and laboratory evaluation.**
- **Expression of Nerve Growth Factor (NGF) and its receptor (TrKA) in chronic renal failure patients with pruritus**

CME Credit: 15 programme hours(ECMEC CREDITS)

2. Visit to Vitiligo Clinic and Research Center, UMASS Medical School, Department of Medicine, Division of Dermatology Worcester, MA, USA, for the supervision and follow up of the joint supervision MD research done by Dr. Maggi Ahmed, the assistant lecturer of Dermatology, Venereology and Andrology, Sohag University, Sohag, Egypt, 12-18 June, 2017.

3. Vitiligo International Symposium, 2-3 December,2016, Rome, Italy.

Poster presentation :

Efficacy of microneedling with topical vitamin C in treatment of melasma.

- 4. 20th World Meeting of Sexual Medicine, 22-25 Sep. 2016, Beijing, China.**

Poster presentation :

Efficacy of Tamoxifen, Oral Zinc and (Diosmin and Hesperidin) treatment in varicocele patients presenting with oligoasthenoteratozoospermia.

European CME credits (ECMEC): 16 credits.

- 5. Thirteenth European Academy of Dermatology and Venereology Spring Symposium, 19-22 May 2016. Athens, Greece.**

Poster presentation:

- A Comparative Study between Topical Minoxidil and Systemic Finasteride in Treatment of Female Pattern Hair Loss.

- Intralesional Injection of Triamcinolone Acetonide in Treatment of Radiation Induced Fibrosis.

CME Credit: 5.5 programme hours.

- 6. Twenty-Three World Congress of Dermatology, 8 - 13 June, 2015, Vancouver, Canada.**

Poster presentation:

Patterns of viral skin infections in sohag province, Egypt.

MOC Section 1credits (33.5 hrs).

- 7. Visit to the Department of Urology Juntendo University Hospitals, Tokyo, Japan, for the supervision and follow up**

of the joint supervision MD research done by Mr. Amr Abdelhamid Aly Yousef, the assistant lecturer of Dermatology, Venereology and Andrology, Sohag University, Sohag Egypt, 2-9 April, 2015.

8. Twelfth European Academy of Dermatology and Venereology Spring Symposium, 5-8 March 2015. Valencia, Spain.

Poster presentation:

- **Skin Manifestations of Liver Diseases in Sohag University Hospital, Egypt.**
- **Dermatological Manifestations of Diabetes Mellitus in Sohag University Hospital, Egypt.**

CME Credit: 17.5 AMA PRA Category 1 Credit(s).

9. Seventeenth Congress of the European Society for Sexual Medicine, 5-7 Feb. 2015, Copenhagen, Denmark.

European CME credits (ECMEC): 18 credits.

10. Sixteenth World Meeting on Sexual Medicine organized by the International Society for Sexual Medicine (ISSM) , 8-12 Oct. 2014, Sao Paulo, Brazil.

Poster presentation:

Efficacy of Tamoxifen and L- carnitine on Sperm Ultrastructure and Seminal Oxidative Stress in patients with idiopathic Oligoasthenoteratozoospermia) . European CME credits (ECMEC): 17.5 credits.

11. Seventy-two Annual Meeting of American Academy of Dermatology (AAD), Denver , Clorado, USA, March 21-25, 2014.

Poster presentation:

Pattern of scalp affection in primary school children in Sohag, Upper Egypt.

CME Credit: 32.5 AMA PRA Category 1 Credit(s).

12. Twelfth World Congress of Pediatric Dermatology, 25-27 Sep 2013, Madrid, Span.

Poster presentation:

Assessment of oxidative stress indices in patients with acne vulgaris).

13. Tenth International Congress of Andrology ,22-26 Feb.2013, Melbourne , Australia :

- Postgraduate Course (23 Feb 2013).

- Poster presentation:

Prevalence and Severity of Erectile Dysfunction in Chronic Renal Failure patients under haemodialysis in Sohag City.

14. Fifteenth Congress of the European Society for Sexual Medicine, 6- 8 Dec., 2012, Amsterdam, Netherlands. EACCME Credits: 15 Hours.

15. Third Continental Congress of Dermatology of the International Society of Dermatology (ISD) and 65th National Congress of the Dermatology Society of South Africa, 24-27 October 2012,Durban, South Africa

Poster presentation:

Deformity and Disability Rate in Leprotic Patients in Sohag Governorate, Upper Egypt).

Continuing Educational Units: 28(2 ethics).

16. Twenty-one Congress of the European Academy of Dermatology and Venereology, 27-30 September 2012, Prague, Czech Republic.

- Poster presentation:

Epidemiological and clinical study of melasma in Sohag Province, Upper Egypt).

CME Credit: 18 Hours. ACCME:1.25 AMA PRA Category 1 Credit.

- Participated in live educational activity titled "The International Psoriasis Council Presents: Meet the Experts - Case-based Learning Discussion (Prague)" on September 29, 2012, accredited by The Annenberg Center for Health Sciences at Eisenhower (1.25 AMA PRA Category 1 Credit).

17. World Meeting on Sexual Medicine jointly organized by the Sexual Medicine Society of North America (SMSNA) and the International Society for Sexual Medicine (ISSM) ,26-30 August 2012, Chicago ,IL USA.

Poster presentation:

A Comparison between Citalopram and Escitalopram in treatment of patients with premature ejaculation: A double-Blind Controlled Clinical Study).

CME Credits: 20.50 AMA PRA Category 1 Credits™.

- 18. Summer Meeting of American of Academy of Dermatology (AAD), 15-19 August 2012, Boston, Mass. USA.CME Credits: 20.25 Hours.**
- 19. Fourteenth Congress of the European Society for Sexual Medicine, 1- 4 Dec., 2011, Milan, Italy.
EACCME Credits: 15 Hours.**
- 20. Twentieth Congress of the European Academy of Dermatology and Venereology, 20-24 October 2011, Lisbon, Portugal.
CME Credit: 13.5 Hours.**
- 21. Dubai Derma 2011(Dubai World Dermatology and Laser Conference &Exhibition in Conjunction with12th Pan Arab League of Dermatology Conference), 19-21 April 2011, Dubai-United Arab Emirates.CME Credit: 20 Hours.**
- 22. Fifth Annual Jeddah Dermatology & Cosmetic Conference, Jeddah, KSA. March 14-17 2011.

CME Credit: 30Hours.**
- 23. Sixty-nine Annual Meeting of American Academy of Dermatology (AAD), New Orleans, La. USA, Feb 4-8, 2011.**
- 24. Nineteenth Congress of the European Academy of Dermatology and Venereology, 6-10 October 2010, Gothenburg, Sweden.**

- 25. Seventh European Academy of Dermatology and Venereology Spring Symposium, 13-16 May 2010. Cavtat , Croatia.
CME Credit: 15 Hours.**
- 26. Twelfth Biennial Meeting of the Asia-Pacific Society for Sexual Medicine, 12-15 December 2009, Singapore.**
- 27. Eighteenth Congress of the European Academy of Dermatology and Venereology, 7-11 October 2009, Berlin, Germany.
Poster presentation:
Pattern of skin diseases in a rural area from sohag governorate, Upper Egypt).
CME-CPD: 18 Hours.**
- 28. Ninth International Congress of Andrology, 7-10 March 2009, Barcelona, Spain.
Poster presentation:
Oxidative Stress in idiopathic Oligoathenoteratozoospermia (iOAT) and its Relation to Midpiece and Mitochondrial Anomalies).**
- 29. Joint Congress of the European and International Societies for Sexual Medicine,7-11 Dec.,2008,Brussels, Belgium.
Poster presentation:
The use of escitalopram in treatment of patients with premature ejaculation: a randomized, double-blind, placebo-controlled study.**

30. Visit to Urology and Andrology Clinic University Hospital of Vienna, AKH Medical University of Vienna, Austria, for the supervision and follow up of the joint supervision MD research done by Mr. Moustafa Adam Ali, the assistant lecturer of Dermatology, Venereology and Andrology, Qena Faculty of Medicine, South Valley University, Egypt, 1-15 Oct., 2008.

31. Seventieth Congress of the European Academy of Dermatology and Venereology, 17-21 Sep., 2008, Paris, France.

Poster presentation:

Phenotypic characterization of inflammatory cellular infiltrate in lesional skin from patients with pityriasis rosea).

CME-CPD credits (4.5 hrs).

32. Fifth European Academy of Dermatology and Venereology Spring Symposium, 22-25 May. 2008. Istanbul, Turkey.

33. Twenty-One World Congress of Dermatology, 30 Sep. - 5 Oct., 2007, Buenos Aires, Argentina.

Oral presentation:

Comparative study between the effect of calcipotriol and combination of calcipotriol and mometasonefuroate on apoptosis in psoriatic patients).

EACCME credits (30 hrs) .AAD category I CME credit (35 hrs).

34. Third Biennial Conference of the Pan Arab Society for Sexual Medicine, 8-11 Feb., 2007-Dubai, U.A.E.

35. Eighth Congress of the European Society for Sexual Medicine, 4-7 Dec., 2005- Copenhagen, Denmark.

36. Fourteenth Annual Congress of the European Academy of Dermatology and Venereology, 12-16 Oct., 2005-London, UK.

Poster presentation:

The effect of narrow band UVB therapy on serum IL-2R, IL-6 AND TNF- alpha levels in patients with vitiligo).

-CME credit (18 hrs).

-Educational Program (Successful Outcomes in the Treatment of Psoriasis: Choosing a Path).

37. First Sino-Egyptian Hepatology & Dermatology Conference. 18-26 Aug., 2005-Daguanyuan Hotel, Beijing, China.

38. Twelfth International Congress of Immunology and 4th Annual Conference of the Federation of Clinical Immunology Societies. 18-23 July, 2004-Montreal, Canada.

Poster presentation:

Serum Soluble Fas, Bcl-2 Proteins and IL-6 Levels in Patients with Psoriasis Vulgaris and their correlations to disease activity.).

CME CREDIT (37hrs).

39. Fourth Asian & Oceanic Congress of Andrology, 26-28 Mar., 2004- Penang, Malaysia.

40. Third International Pan Arab Congress of Andrology 19-21 Dec., 2002, Assad University Hospital, Damascus-Syria.

41. Eighth Pan Arab Congress of Dermatosciences 26-29 Oct., 2002 Manama, Kingdom of Bahrain. (Poster presentation; Antioxidants and the skin).

42. Sixth International GCC Dermatology & Venereology Conference, 10-12 Nov., 2001, Dubai-UAE., organized by GCC league of Dermatology in collaboration with Dermatology Society, EMA, and Department of Health & Medical Service.

Poster presentation:

Cytokines in Alopecia Areata.

43. Visit to the Cleveland Clinic Foundation, center for Advanced Research in Human Reproduction, Infertility, and Sexual Function, for the supervision and follow up of the join supervision MD research done by Mr. Ramadan Saleh Abdou Saleh, the assistant lecturer of Dermatology,

Venereology and Andrology, Sohag University, Sohag, Egypt, 7-21 Oct., 2001, USA.

44. Ninth congress of European Academy of Dermatology & Venereology (EADV), 11-15 Oct., 2000, Geneva, Switzerland, attending:

- Course of resurfacing.**
- Course of Dermatological lasers 2000: state of the art.**
- Symposium of the European society for pediatric Dermatology (ESPD).**

45. Seventh Pan Arab Congress of Dermatology & Venereology, 20-23 Sep., 2000, Tunis.

46. Second Congress of Pan Arab Society of Andrology, 17-21 Sep., 1999, Lebanon.

47. Second Annual Meeting of the Pan-Arab Society of Andrological Sciences, 13-15 Nov., 1998, Tunis.

Attendance of national Conferences:

- 17th Annual Conference of Kasr El Eini Andrology Department, Faculty of Medicine, Cairo University, 3 May, 2018, Pyramisa Hotel, Dokki Cairo, Egypt.**
- Sharm Derma 2018 (The International Conference for Dermatology & Cosmetology), spring: 2-4 May. 2018, Intercontinental City Stars, Cairo, Egypt.**

- **Thirteenth Annual conference of Alexandria Society of Dermatology, Venereology and Andrology in collaboration with the Department of Dermatology, Venereology and Andrology , Alexandria University 19 Apr. 2018-Tolip Hotel, Alexandria, Egypt.**
- **Eleventh International Annual Conference and Workshop of Afro-Asian Cosmetic Dermatology and Laser (ASCDL), 18-19 April 2018 – Grand Nile Tower Hotel, Cairo, Egypt (Chairman of Session).**
