Sex: Male

Year of birth: 1974

Nationality: Egyptian

WORK EXPERIENCE

التدرج الوظيفي والخبرة العملية

1-From February 2022
to date

Professor of Pathology

استاذ الباثولوجي – كلية الطب – جامعة سوهاج

Pathology Department - Faculty of Medicine - Sohag University – Egypt

Duties and expertise

- Teaching surgical pathology and diagnostic histopathology and cytopathology to postgraduate medical students
- Supervising postgraduate researches.
- Leading teams in cancer researches projects.
- Teaching basics of Pathology to undergraduate medical students.
- Specification of Pathology programs for under and postgraduate medical students
- Membership of Ethical Research Committee, Faculty of Medicine, Sohag University

2-From Jan 2017 to Jan
2022

Associate Professor of Pathology

استاذ مساعد الباثولوجي – كلية الطب – جامعة سوهاج

Pathology Department - Faculty of Medicine - Sohag University – Egypt

Curriculum Vitae

Duties and expertise

- Teaching basics of Pathology to undergraduate medical students and students of faculty of Pharmacy and faculty of Nursing.
- Teaching courses of surgical pathology and diagnostic histopathology and cytopathology to postgraduate medical students
- Handling and evaluation of surgical pathology specimens for diagnostic purposes.
- Supervising postgraduate research students.
- Leading teams in cancer researches projects.
- Specification of Pathology programs for under and postgraduate medical students
- Membership of Ethical Research Committee, Faculty of Medicine, Sohag University, Egypt since 2013
- Head of Pathology Department; Sohag University since September 2020 to date

3-From March 2019 to
September 2019

Associate Professor of Pathology

Alrayan Medical College; Medina; Saudi Arabia

استاذ مساعد الباثولوجي – كلية الطب – جامعة
الريان الأهلية – المدينة المنورة - المملكة العربية
السعودية

Duties and expertise

- Teaching basics of Pathology to undergraduate medical students and students of faculty of Pharmacy and faculty of Nursing.

4-From 2011 to 2016

Lecturer of Pathology

Pathology Department - Faculty of Medicine - Sohag University - Egypt

مدرس الباثولوجي – كلية الطب – جامعة سوهاج

Duties and expertise

- Teaching basics of Pathology to undergraduate medical students and students of faculty of Pharmacy and faculty of Nursing.
- Teaching courses of surgical pathology and diagnostic histopathology and cytopathology to postgraduate medical students
- Handling and evaluation of surgical pathology specimens for diagnostic purposes.
- Supervising postgraduate research students.

5-2008 to 2010

Research assistant

Pathology department, Royal Victoria Infirmary Hospitals, NHS North East, Newcastle Upon Tyne, England

باحث مساعد – مستشفى الملكة فكتوريا – نيوكاسل – إنجلترا

Duties and expertise

- Collaboration with other members of breast cancer research group for investigation of breast cancer metastasis through evaluation of trefoil molecules role in breast cancer progression *in vivo* and *in vitro*.

6-2006 to 2010

PhD Study

Northern Institute for Cancer Research (NICR)- School of Medical Sciences - Newcastle University – England

دراسة الدكتوراة – مركز أبحاث السرطان – جامعة نيوكاسل – إنجلترا

Duties and expertise

- Working as a member of the Pathology Research group which is a sub-group of Solid Tumour Target Discovery (STTD) group within NICR.
- Involved in evaluation of trefoil proteins role in invasion and metastasis of breast cancer both *in vitro* (breast cancer cell lines) and *in vivo* (breast cancer tissue).

7-2004-2006

Assistant Lecture مدرس مساعد – قسم الباثولوجي - كلية الطب – جامعة سوهاج

Pathology Department- Faculty of Medicine - Sohag University-Egypt

Duties and expertise

- Teaching practical Pathology lessons to undergraduate medical students.
- Handling and trimming of surgical pathology specimens at Sohag University Hospitals.
- Provisional histopathological and cytopathological evaluation of surgical Pathology specimen (a preparatory step prior to final diagnosis).
- Attending postgraduate teaching courses of surgical pathology and workshops of basic molecular techniques.

8-2000-2004

Demonstrator معيد بقسم الباثولوجي - كلية الطب – جامعة سوهاج

Pathology Department- Faculty of Medicine - Sohag University-Egypt

Duties and expertise

- Teaching the practical Pathology lessons to undergraduate medical students.
- Handling and trimming of surgical pathology specimens at Sohag University Hospitals.
- Attending the postgraduate lectures in different basic subjects including histology, histochemistry, medical statistics and surgical pathology.
- Conducting the master research project to evaluate diagnostic accuracy of needle aspiration cytology was evaluated and compared to diagnostic accuracy of wide calibre needle biopsy and open surgical biopsy.

EDUCATION AND TRAINING

الشهادات العلمية

1- From 2006 - 2010

PhD, Molecular Pathology الدكتوراة في الباثولوجيا الجزيئية - جامعة نيوكاسل - إنجلترا

Northern Institute for Cancer Research - School of Medical Sciences - University of Newcastle Upon Tyne– England

• Principle skills acquired

- Immunohistochemistry techniques and scoring
- Tissue microarray construction
- Growing cancer cell lines in cell culture and growing hybridoma cells in culture
- Cytosol preparation from cultured cells and from excised fresh tissues
- Monoclonal antibody purification
- Enzyme-linked immunosorbant assay (ELISA)
- Polyacrylamide gel electrophoresis and Coomassie blue staining
- Western blot analysis
- Immunoprecipitation and immunopurification

Curriculum Vitae

- 2- From 2004-2006 Assistant lecturer of Pathology **المجستير في الباثولوجي – كلية الطب – جامعة سوهاج**
 3- From 2000-2004 Demonstrator of Pathology

Pathology Department- Faculty of Medicine - Sohag University-Egypt

- **Principal subjects covered**
 - Basic histology and cell structure
 - Histochemistry
 - General pathologic basis of diseases
 - Surgical pathology and cytopathology
 - Medical statistics
- **Principle skills acquired**
 - Handling, description and trimming of surgical pathology specimens.
 - Histological evaluation of surgical Pathology specimen.
 - Preparation of H&E stained sections
 - Aspiration of parietal masses (breast lumps, lymph nodes, thyroid..... etc.)
 - Immunohistochemistry

- 4- From 1992 - 1998 **Bachelor of Medicine and Surgery** – **بكالوريوس الطب والجراحة – كلية الطب – جامعة سوهاج**
Faculty of Medicine Sohag University

PERSONAL SKILLS

- **Mother tongue**

Arabic language

- **Another language**

- **English**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
	Good	Very good	Good	Good	Very good
TOEFL certificate, AMIDEAST, Cairo, Egypt, May 2005, total score 230 (580)					
	24	4.5	NA	NA	26

- **Job-related skills**

- Communication with colleagues in the research group and teaching practical courses for medical students, Newcastle University, UK during PhD studies,
- Communication and interaction with pioneers of histopathology for diagnosis of surgical Pathology specimens.
- Team-working during diagnostic and research work
- Presenting and leading scientific seminars.

- **Computer skills**

Good IT skills

- Competent user of Microsoft Word, PowerPoint, Excel and Outlook.
- Competent with Microsoft picture manager
- Certificate of International Computer Driving License (ICDL), 2006.

- **Other skills**

Good statistical skills

- Good user of different versions of SPSS
- Competent with data analysis including survival analyses.

ADDITIONAL INFORMATION

- Job related positions

1- September 2013 to date

- A member of Research Medical Ethics Committee, Faculty of Medicine, Sohag University

2- October 2019 to date

- Head of Pathology Unit, Sohag Cancer Institute, Ministry of Health and Population, Sohag.

- Publications

List of publications (ordered chronologically): الأبحاث العلمية المنشورة
