#### Presidio CTO – Clinica Ortopedia I

Direttore

Prof. Alessandro Massè

Torino, 02/12/2015

To whom it may concern

This is to certify that dr. Wael Adel Ahmed Salama the specialist of Orthopedic and Trauma surgery was working at *the Orthopedic Department of Turin University Hospitals, Italy (Centro traumatologico Ortopedico CTO hospital and San Luigi hospital)* from 7/12/2013 to 02/12/2015.

During this period he worked in the following units:

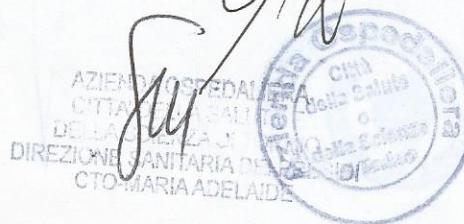

- 1- Hip preservation surgery and joints replacement unit.
- 2- Pelvic and acetabular trauma unit.

During his work he had shown a high grade of surgical skillfulness, dependability, creativity and team working.

As regard his surgical and clinical practice, he was totally dependable in the evaluation and management of ER cases, cases of hip preservation surgery, hip replacement surgery, acetabular and pelvic trauma surgery.
