DR. AHMAD MOKHTAR ABODAHAB, MD *PUBLISHING ACTIVITIES* – MAR 2024

14	<u>Major Faults that should be Avoided by Efficient Speakers – Review</u>	<u>International Journal of Learning Management Systems</u>	Corresponding	Int.J.Learn.Man.Sys.12, No.2,175-176 (2024)
15	<u>Essentials of Infection Prevention and Control in Radiology Department, Review</u>	<u>Sohag Journal of Young Researchers</u>	Corresponding	

2- FINISHED / SUBMITTED

	Title	Journal	Role	Notes
1	How to chose your PACS, Essential Factors: a Review	Open Journal of Radiology	Corresponding	Accepted
2	Radiological Diagnosis of Foreign body ingestion "Spoon" – Case Study	International Journal of Advanced Biomedicine	Corresponding	Accepted
3	How to Organize An Effective Scientific Day	International Journal of Learning Management Systems	Corresponding	Submitted
5	Twinkle, the artifact of a good diagnostic value, Letter to Editor	Journal of Ecology of Health & Environment	Corresponding	Submitted
6	Beaver tail Liver, the misleading uncommon radiological sign: Case Study	Journal of Ecology of Health & Environment	Corresponding	Submitted
7	Can Hospital Has Teleradiology Services Without PACS? – Letter To Editor	Journal of Radiation & Nuclear Applications	Corresponding	Submitted
8	Palm Thorn Foreign Body Ultrasound Detection, Case Study	Egyptian Journal of Medical Research	Corresponding	Submitted
9	Age & sex determination through dimensions of Foramen magnum		Co Author	Finished
10	Burden of Chronic Kidney Disease and role of Renal Resistive Index in prediction of renal outcome in hypertensive non-diabetic patients		Single Co Author	Finished
11	PACS Administrator Essential Duties – What are and How to do? – Review		Corresponding	Finished

3- UNDER CONSTRUCTION

	Title	Notes
1	Radiologists PACS Knowledge Assessment	
2	Non Radiologists PACS Knowledge Assessment	
3	Role of CT in assessment & calcification of Deviated Nasal Septum	
4	Ultrasound Assessment of Thyroid Lobes volume In Correlation to AP diameter as an Dependable indicator	
5	CT & MRI Data Backup recording integrity on CD – DVD.	
6	Unusual Applications of Power Point, Review	
7	Ultrasound Assessment of Pediatric Inguinoscrotal presentation	
8	Factors Threaten PACS Integrity - Review	
9	PACS Security , How to Increase	
10	Asymptomatic Large Meditational Mass, Case Report
