## CURRICULUM VITAE (C.V)

### Personal data:

Name: Mohammed Elrabie Ahmed Mohammed  
Date of Birth: March 25, 1983  
Religion: Muslim  
Nationality: Egyptian  
Marital Status: Married Children: Two  
Country of Birth: Egypt  
Language: Arabic, Native language.  
English, First foreign language: **Local** (570 ITP) **iBT** (76)  
Computer Skills: ICDL  
Address: Fawzy Asaker street, Nasser city, Sohag, Egypt

### Or

Nasr City, Eastern avenue , University street , Sohag university , Faculty of medicine , ENT department , Sohag , Egypt, Zip code (82524)

Tel.: +20934601241 Mobile: +201011805501  
E-mail: [dr.mohammedelrabie@gamil.com](mailto:dr.mohammedelrabie@gamil.com)  
Major Area: Otorhinolaryngology- Head and neck surgery.  
Degree Hold:

- **M.B.B.S.** Bachelor of Medicine, Bachelor of Surgery degree, Faculty of Medicine, Sohag University, Sohag, Egypt, (2006) with a cumulative average grade of 85.5% (Excellent).
- **Master degree** (M.Sc.) Otorhinolaryngology, Faculty of Medicine, Sohag University (2011). The average grade is Very Good.

### Academic Positions:

- Demonstrator of Otorhinolaryngology, Faculty of Medicine, Sohag University, from March 2011 to September 2011.
- Assistant Lecturer of Otorhinolaryngology, Faculty of Medicine, Sohag University, from October, 2011 until now.

### Master Research Work:

- Essay entitled: ***Role of fungus in pathogenesis of chronic rhinosinusitis-Meta-Analysis Study***  
We had done a meta-analysis and systemic review studies to evaluate the role of fungi in pathogenesis of CRS and the role of local antifungal (Amphotericin B) in treatment of CRS.

### MD Research Work:

- The localization and regulation of sarco-endoplasmic reticulum Ca<sup>2+</sup> ATPases (SERCAs) in the murine pharyngeal muscles

### Personal Experiences

- Compulsory Training as a Rotating house officer for One year training Department of Surgery, medicine, obstetrics and gynecology, pediatrics, emergency and anesthesiology, chest disease from 1/3/2007 to 28/2/2008 at Faculty of Medicine, Sohag University.
- One-year training period as a resident of oto-Rhino-Laryngology department in Ghamra military hospital from October 2008 to September 2009.

- Two years training period as a resident of Oto-Rhino-Laryngology from 1/12/2009 to 6/3/2011 at Faculty of Medicine, Sohag University.
- Teaching of the 4<sup>th</sup> year medical student in Faculty of Medicine, Sohag University from March 2011 to February 2012.

#### Scientific Training

- Training in head and neck unit in Alexandria university hospital from 15/2/2012 up till 14/2/2014 under supervision of Prof. **Hesham Abdel-Fattah**.
- Visiting researcher in Otorhinolaryngology Head and Neck Surgery Kyoto Prefectural University of Medicine, Japan from 10 March 2014 until May 2016 under supervision of Prof. **Yasuo Hisa , Shigeru Hirano and Hideki Bando**

#### License To Practice Medicine As ENT Physician

- Ministry of Health, Cairo, Egypt
  - No. 4022
  - Date of issue: January 2014

#### Basic research training workshop attendance:

- Attending and hand on participation in immunohistochemical technique workshop at University of Alexandria medical research institute-Medical Technology Center, 3<sup>th</sup>-5<sup>th</sup> September 2013 under supervision of Prof Mona **Abdel-Hamed Yehia**.
- Attending and hand on participation in Stem cell and tissue culture isolation and characterization workshop at Nile experiments research centre in 20-24 **January 2014**
- Attending and hand on participation in Molecular Genetics Approaches: Principles and Applications workshop in 2-6 **February 2014** under supervision of Prof. **Haggag s. Zein at Cairo University Research Park**.
- Attending and hand on participation in 2015 CiRA training course on generation and maintenance of human iPS cells in 21-23 October 2015.

#### Basic research experience

- Immunohistochemistry
- PCR
- Cell culture
- Stem Cell

#### Clinical and surgical Experiences:

- Skilled in general otolaryngology, adults and children
- Operations in traumatic and emergency conditions related to otolaryngology.
- Tonsillectomy and adenoidectomy.
- Otology:
  - Myringotomy + ventilation tube insertion.
  - Myringoplasty.
  - Cortical mastoidectomy
- Nose and PNS:
  - Correction of deviated nasal septum via SMR or septoplasty.
  - Partial turbinectomy
  - FESS
- ENT endoscopies such as sinoscopy, nasopharyngoscopy, hypopharyngoscopy, oesophagoscopy, laryngoscopy and bronchoscopy as diagnostic and therapeutic.
- Surgery for Snoring & Obstructive Sleep Apnea
  - Palatal surgery
  - Tongue base reduction and suspension
  - Hyoid suspension
  - Genioglossal advancement
- Laryngology and Phonosurgery:
  - Microlaryngeal surgery
  - Injection Laryngoplasty

Scientific activities and meetings

- Head and neck surgery:
  - Thyroglossal cyst (Sistrunk's operation)
  - Submandibular Sialadenectomy
  - Thyroidectomy
  - Total laryngectomy
  - Total laryngopharyngectomy
  - Excision of Pharyngeal Pouch
  - Pectoralis major flap in head and neck reconstruction.
  - Neck dissection.
- Trans-oral endoscopic assisted approach for parapharyngeal space and submandibular gland
- Special interests in snoring & OSAS surgery, head and neck oncology surgery, laryngology and laser surgery

**International**

- Speaking presentation (Localization of Bradykinin B1 and B2 receptors in the rat larynx) in **2015 International congress of Korean Society of Otolaryngology – Head and Neck surgery in 25 April 2015, Seoul –South Korea.**
- Poster presentation (**A Branchial Cyst of the Pyriform Fossa Transoral Laser Resection**) **2015 International congress of Korean Society of Otolaryngology – Head and Neck surgery in 26 April 2015, Seoul –south Korea.**
- Speaking presentation (Localization of Bradykinin B1 and B2 receptors in the rat larynx) in **the Otolaryngologist Day during the 12th Annual Middle East Update in Otolaryngology Conference in 21 April 2015 in Dubai, United Arab Emirate.**
- The localization and regulation of sarcoplasmic reticulum  $Ca^{2+}$  ATPases (SERCAs) in the murine pharyngeal muscles. In **the 59<sup>th</sup> Annual meeting of the Japan Society of Logopedics and Phoniatrics.**
- Poster presentation (Localization of Bradykinin B1 and B2 receptors in the rat larynx) in **the 9<sup>th</sup> East Asian conference of phonosurgery** in 29-30 November 2014

**National:**

- Speaking presentation (**Cancer larynx**) in **the 11<sup>th</sup> annual meeting** of sohag plastic surgery department in collaboration with ORL department in 21 December 2013.
- Poster presentation (Topical nasal amphotericin B for treatment of chronic rhinosinusitis: systematic review) in the 8<sup>th</sup> annual meeting of Sohag faculty of medicine, April 2012
- Speaking presentation in the workshop of Bronchoscopy in Oto-Rhino-Laryngology department, Sohag University under supervision of Prof. **Mohamed Abdel\_Kader Ahmed** in 2011; topic was (Rigid Bronchoscopy).
- Attending and participating in **the Weekly Scientific Meetings of Alexandria ORL-HNs department** under supervision of Prof. **Hesham Mostafa Abdel-Fattah** since 2012 up to 2014.
- Attending and participating in the weekly scientific meeting in Oto-Rhino-Laryngology department, Sohag University under supervision of Prof. **Abd-el Matin Moussa Abdel-latif** since 2008 up to 2011.

Conference and meeting attendance:

**National**

1. Attending and participating in The 7<sup>th</sup> Annual Meeting of Sohag Faculty of Medicine, Sohag University, April 2010.
2. Attending and participating in Egypt Rhinology 18 held on 22-23 March 2018 at Tolipd El Galaa, Cairo, Egypt

**International:**

1. 18th WCBIP/WCBE World Congress in 13-16 April Kyoto-Japan

2. **Provox Seminar** 11<sup>th</sup> June 2014 in Tokyo- Japan by **Frans JM Hilgers**
3. The 30 Alexandria international combined ORL congresses **in 2013**.
4. The 29 Alexandria international combined ORL congresses in 2012.
5. The international federation of head and neck oncologic societies (IFHNOS **WORLD TOUR) in October 2012**
6. The 5th International Congress **World Voice Consortium [WVC]** in October 2012.

Courses Attended:

**National:**

1. Annual Mansoura international sleep surgery workshop at Mansoura university hospital, 22-23 February 2018, ; Guest honor Prof. Rodolfo Lugo.
2. Temporal Bone dissection at Ain Shams university specialized hospital, 17-19 Jan. 2018
3. The first Egyptian-German Workshop on Laser in Laryngology; Cairo university 13-14 Jan. 2018; Guest honor Prof. Tadeus Nawka
4. Problem solving in prosthetic voice rehabilitation, in The national training center; 5 October 2017; Guest honor Prof. A.J.M. Balm
5. Third multidisciplinary Cleft workshop in January 2014
6. The first Sohag meeting for uses of laser under supervision of Prof. **Hesham Abdel-Fattah** in 22-23 December 2013
7. The snoring and obstructive sleep apnea at Ain Shams university specialized hospital, 2<sup>nd</sup> -3<sup>th</sup> November 2013 under supervision of **Prof. Magdi Samir**
8. The seventh basic surgical skills course at Ain Shams university specialized hospital, 7<sup>th</sup> -9<sup>th</sup> October 2013 under supervision of **Prof. Magdy Amin**
9. Ear Endoscopy Surgery workshop in Oto-Rhino-Laryngology department, Alexandria University under supervision of Prof. **Daniele Marchioni** in 2013.
10. Radiofrequency workshop in Oto-Rhino-Laryngology department, Alexandria University under supervision of Prof. **Klaus Vogt** in 2012.
11. The advanced sinoscopic surgery workshop in Oto-Rhino-Laryngology department, Sohag University under supervision of Prof. **El-Bosraty HM** in 25<sup>th</sup> -26<sup>th</sup> January 2012.
12. The first meeting of neck radiology in Oto-Rhino-Laryngology department, Sohag University under supervision of Prof. **Mohammed Tharwat** in 16<sup>th</sup> -17<sup>th</sup> January 2012.
13. Advanced microdissection workshop in Zagazig microsurgery centre under supervision of Prof. **Sobhi Hweidi** in 23 to 27/3/2013.
14. Basic microdissection workshop in Zagazig microsurgery centre under supervision of Prof. **Sobhi Hweidi** in 16 to 20/2/2013.
15. Microsurgical surgery workshop in, Ain Shams University under supervision of Prof. **Nasser Kotb** in 2012.
16. Third meeting of the Egyptian Society of the nose and paranasal sinuses, **December 2010**.

**International:**

17. Bronchoscopy Basics-Removal of Foreign Bodies and Stent Placement in 14 April 2014 Kyoto-Japan under supervision of Prof. **Lutz Freitag** and **Hermann Tonn**
18. Bronchoscopy for ENT Physicians - Removal of foreign bodies, the pediatric approach in 15 April 2014 Kyoto-Japan under supervision of Prof. **Karl Hoermann** and **Hideki Hirabayashi**.
19. Workshop on **Phonosurgery** in 24 April 2015, Seoul-South Korea under supervision of Prof. **Tack-Kyun KWON**.
20. Third head and neck dissection and reconstructions hands-on courses in the Chinese university of Hong Kong in 15-18 December 2015 under supervision of professor **Alexander Chris Vlantis**

#### Honours and awards

- Sohag University Scholarship for Outstanding Undergraduates, 2000-2005
- Scholarship fund for young overseas otolaryngologist from SPIO (Society for promotion of international otorhinolaryngology) in 2014
- Travel grant in 2015 International congress of Korean Society of Otolaryngology – Head and Neck surgery
- Young otolaryngologist sponsorship in the 12th Annual Middle East Update in Otolaryngology Conference in 21 April 2015 in Dubai, United Arab Emirate
