List of publications

1. M. Abul-Ez, G. M. Ismail, M. M El-Moshneb and J. Morais, An approach to solving a nonlinear free vibration equation arising in the micro electromechanical system, submitted for publication in Latin American Journal of Solids and Structures.

2. M. Abul-Ez, G. M. Ismail, M. M El-Moshneb, Analytical solutions for free vibration of strongly nonlinear oscillators, Information Sciences Letters. 4, 101-105, (2015).

3. M. Abul-Ez, G. M. Ismail, M. M El-Moshneb, Analytical solution for free vibrations of strongly nonlinear generalized Duffing oscillators, submitted for publication in Scientia Iranica International Journal of Science and Technology.

4. M. Abul-Ez, G. M. Ismail, M. M El-Moshneb, Analytical study for nonlinear vibration of microelectromechanical system and autonomous conservative oscillator, submitted for publication in Mathematical Sciences Letters.

5. M. Abul-Ez, G. M. Ismail, M. M El-Moshneb, Analytical periodic solution for the Duffing-harmonic oscillator, submitted for publication in Information Sciences Letters.
