

Ibrahim Yahia Abd El-Nasser El-Mohandes

ibrahim.el.mohandes21@gmail.com ibrahim2014010@science.sohag.edu.eg , 43-Elhoria st, Jirja, Sohag, Egypt P.o :82951, (+20)1067725374, August 20th 1995, Single, Egyptian

❖ *Objective:*

- To bring my strong sense of dedication, motivation, and responsibility to my faculty, and to utilize my skills qualifications obtained through my university.

❖ *Personal profile:*

- Aiming to have the chance to increase my experience that I gained in geology field , and to develop myself technically and non-technically through my faculty.

❖ *Education:*

➤ *B.Sc.:*

- *June 2017*, In Geophysics, Faculty of science, Sohag university, Egypt.
- The overall grade : **84.98%** (The first ranking on the department) With honors.
- *Programs studied:* [Corel Draw – Remote sensing Programs (Erdas) – Geosoft – Past – PanPlot – Origin 2017].

➤ *Graduation project:*

- Thermal methods in geophysics and their applications (Excellent **96%**).

➤ *Pre-master:*

- *October 2019*, In stratigraphy and micropaleontology, Faculty of science, Sohag university, Egypt, with grade (Very Good **88.5%**).
- Master thesis “Micropaleontological And Stratigraphical Studies On The Upper Cretaceous - Lower Paleogene Successions Of Esh El Mellaha Area, Gulf Of Suez, Egypt.”

➤ *Publications:*

- Nageh A. Obaidalla, Atef A. Elattaar and Ibrahim Y. El-Mohandes (2022): Stratigraphy of the Upper Cretaceous–Lower Paleogene Successions at Esh El-Mellaha Area, Gulf of Suez, Egypt: New contribution. Sohag Journal of Science. 7, No. 2, 97- 103.

❖ *Honors and Awards:*

- *Sept 2013- June 2017:* **Fellowship**, Faculty of Science, Sohag University, Sohag, Egypt.

❖ *Occupation:*

- Teaching assistant at Geology department, Faculty of Science, Sohag University, Egypt.

❖ *Internships:*

- *August 2017* Sukari mining
- *August, 2016* Agiba petroleum company

- *August, 2016* GPC (General petroleum company)
- *July 2016* Qarun petroleum company
- *January 2016* Halliburton petroleum company yard

❖ **Activities:**

- *Geo Bot (data Collection) Team.*
- *SEG Member (Society of Exploration Geophysicists).*
 - 2016-2017 Head of SC committee at SEG-Sohag-University student chapter.
- *Kona Zyak Member (To help students of geology) “Active Member”*

❖ **Skills:**

- *Language skills:*
 - *English:* Good.
 - *Arabic:* Mother tongue.
- *Computer skills:*
 - Windows operating system.
 - Microsoft Office (Word, Excel, Power Point).
 - digital transformation.
- *Personal Skills:*
 - Willing to learn in any new field or challenging work.
 - Working under pressure and achieved all targets.
 - Highly communication skills & presentation skills & how to solve the problems & research skills.
 - Dealing with new friends at work or within the team.

❖ **Courses:**

- *the GTI initiative.*
- *the sessions of SEG-SU: petrophysics , seismic data acquisition & processing & interpretation and Field operation of oil.*

❖ **Field trips:**

- Issawia area, east Nile Sohag
- Kawamel area, west Nile Sohag
- Bahariya oasis
- Aswan area
- Abu Rawash area
- Qusair area
- Farafra oasis
- Faiyum oasis
- Esh El-Mellaha area

❖ **Reference:**

- *Prof.Dr. Nageh Abdel-Rahman Obaidalla (Former Vice President of New Valley University).*
