 - I worked as a member of the project team.
 - The project was funded by 50,000 Dirhams

Theses Discussion and Supervision:

- I have supervised 10 different master and PhD theses in:
 - Sohag University in Egypt
 - University of Sharjah in UAE
 - University of Creative Sciences in UAE.
- I have discussed number of theses in the field of the history of education, such as:
 - Scientific and administrative life in Palestine until the end of the first Abbasid era (15-232H.)
 - Education in the first Abbasid era.
 - Education in Umayyad era.
- In the field of Islamic education, I have discussed a Master thesis, which was:
 - "Emotional Education in the Holy Quran, values and treatments, objective study".

Teaching Experiences:

- **Teaching in English Language:**
 - Course Name: Learning Communities
- **Teaching in Arabic Language:**

Master Courses:

- Introduction to Computer Science for master students.
- Special theme for master students

Diploma Courses:

- Foundations of education
- School organization
- School planning
- Projects in school administration
- Integrative experiences
- Practical Education
- Classroom and school administration

Bachelor Courses:

- Explorative educational experiences
- Learning communities
- Cooperation between home, school and community
- Fundamentals of Islamic education
- Contemporary trends in kindergarten

- Introduction to Education
- Adult Education
- Moral Education
- Foundations of education
- Society problems

Development of programs and courses:

- I have participated in developing a number of programs in order to get Academic Accreditation for College of Education, UAE University, from 2000 till 2005 and the college has got the Academic Accreditation from NCATE organization.
- I have participated in developing vocational diploma program for teaching at University of Sharjah; academic accreditation has been obtained from Ministry of Higher Education in 2015.
- I have developed a number of courses description in Masters, Professional Diploma programs in teaching as well as bachelor's degree, all of which in United Arab Emirates University, University of Sharjah and Sohag University.

Coordination of programs and courses:

- Coordinator of Vocational Diploma Program in teaching, Department of education, University of Sharjah.
- Coordinator of Kindergarten Bachelor Program, Department of education, University of Sharjah.
- Coordinator of Practical Education Program, Department of education, University of Sharjah.
- Coordinator of classroom and school administration course, Department of education, University of Sharjah.
- Coordinator of course of "Islamic fundamentals of education", Department of education, University of Sharjah.
- Coordinator of courses of "learning communities", "explorative experiences" and "Foundations of education", College of Education, United Arab Emirates University.

Educational and Academic guidance to students:

- Guide to students of:
 - Students of Master in special education program, Department of Education, University of Sharjah.
 - Students of professional diploma in teaching, College of Education, United Arab Emirates University.
 - General Diploma in Education, Department of Education, University of Sharjah.

Teaching methods:

Using variety of methods, including:

- Electronic approaches: PowerPoint, blackboard, Video tape, transparencies, internet and discussions in virtual rooms.
- Team work and work papers
- Active learning, such as: brainstorming, collaborative learning, peer teaching, role playing, case study, classroom discussions, students presentations, giving lectures, general discussions and problem solving.

University and Community Serving:

- **University Serving:**
 - **Membership of scientific committees:**
 - I have participated as:
 - 1- A member of committees in United Arab Emirates University, University of Sharjah and Sohag University.
 - 2- Chairman of committees on the level of College of Education, United Arab Emirates University, College of Arts and Social Sciences, University of Sharjah and College of Education, Sohag University.
 - **Promotion of professors and associate professors from local and regional universities:**
 - I have assessed the scientific productions for 16 different associate professors and assistant professors participants who were promoted to the position of professor or associate professor at:
 1. Abu Dhabi University and University of Sharjah, United Arab Emirates.
 2. Taibah University and King Saud University, Kingdom of Saudi Arabia.
 3. University of Petra, Hashemite Kingdom of Jordan University, Yarmouk University University of Jordan and Al-Balqa' Applied University, Jordan.

- **Community Serving:**

- **Workshops:**

- I have carried out more than 20 workshops on various educational issues for the benefit of teachers and schools principals.

- **Supervision of practical projects:**

- I have supervised a number of practical projects carried out by school principals and teachers, one of these projects achieved the first grade in Principals Training Course, in Al-Ain, UAE.

- **Evaluation of researches, studies and publications:**

- I have evaluated more than 200 educational works, including educational researches, for a number of local and regional arbitrator scientific journals, some of these researches were issued by centers and educational awards in UAE.

- **Arbitration in awards:**

- Arbitrator member in:
 - Khalifa Award for Education
 - Sharjah Award for Excellence in Education,
 - Ras Al Khaimah for Educational Excellence Award
 - Owais Award
 - Rashid bin Humaid Award for Culture and Science,
 - Jumaa Al Majid Center
 - Dubai International Holy Quran Award.

- **Membership of scientific associations:**

- Member of Egyptian Society of Comparative Education and Education Administration, Arab Republic of Egypt.
- Member of scientific council of UNESCO, United Arab Emirates.

Awards Achievements:

- Award for the best authored book in the field of education and humanities, 2009.
- Incentive award to faculty members in the field of scientific research, 2011/2012.
- Incentive award to faculty members in the field of community service, 2012/2013.
- Incentive award to faculty members in the field of teaching, 2013/2014.
- Incentive award to faculty members in the field of scientific research, 2014/2015.

Certificates:

I have got more than 40 certificates of appreciation and thanks by local, regional and international associations for participating in conferences, workshops, arbitration, and supervision of projects and presidency of scientific sessions.
