

Welcome

Dear Colleagues,

On behalf of myself, the organizing and scientific Committees, I would like to extend a warm invitation to you to share us the scientific activities of the 4rd Annual Conference of Hepato-Gastroenterology - Faculty of Medicine - Al-Azhar University (Assiut) April 2014, in collaboration with Board of the Al-Azhar Group of Hepatology and Gastroenterology (AGHG),

The Scientific program involves Special topic presentations by imminent professors that follow the wide presentation of the most relevant topics and related research for all those interested in the GI and liver diseases.

It is developed with special attention to promote and facilitate an exchange of research and practical information among diverse professionals & practitioners working in this field, in addition to the interesting researches and case presentation of the young Doctors and other specialties sharing our event.

We promise you a successful, enjoyable and fruitful scientific meeting with an elegant social & touristic program in the great city of Hurgada.

Yours sincerely,
Prof. Hamdy Mahfouz
Conference President
