# Welcome Message

Dear Colleagues,

On behalf of the Organizing Committee we would like to welcome you to the National Cancer Institute BGO 2018 Annual Conference in Cairo, Egypt from 7<sup>th</sup> to 9<sup>th</sup> of November, 2018.

This conference will bring together the entire spectrum of Egyptian, international Scientists, researchers and clinicians fostering collaborations in cancer management worldwide.

As in previous conferences, we are developing a rigorous scientific program that introduces innovative ideas and highlights key nascent findings in cancer management.

We continue the BGO conference series that each year highlights the evolution in our understanding of cancer management and emerging therapies filling the gaps in management of a challenging disease for both researchers and clinicians.

In addition to a full scientific program of research symposia and poster sessions, the conference will be preceded by workshops that offers a unique opportunity to interact and learn the basics of this disease from faculty experts across the world.

This conference promises to bring together the best minds in cancer research and to provide an outstanding educational and networking experience.

In this Wonderful city of Cairo Where the modern and old merge together. It is a unique opportunity to experience this vibrant cultural Scene as well.

We hope you and your colleagues will join us for this exciting conference.
