[0003-0503-3533](https://orcid.org/0000-0003-0503-3533)

Dr. Ramadan Saleh currently holds a position of assistant professor of Dermatology, Venereology & Andrology at the Faculty of Medicine; and the Vice Dean of Post-Graduate Students and Research at the Faculty of Nursing, Sohag University, Sohag, Egypt.

He was graduated from Faculty of Medicine, Assiut University, Egypt in 1991. He completed his residency at Department of Dermatology, Venereology and Andrology, Assiut University Hospital, Assiut, Egypt in 1996. In 1997, he was appointed a position of assistant lecturer in the Department of Dermatology, Venereology and Andrology, Faculty of Medicine, South Valley University, Sohag, Egypt.

He was a Research Fellow in Andrology in the Center for Advanced Research in Human Reproduction, Infertility, and Sexual Function (currently known as the American Center for Reproductive Medicine), Urological Institute, the Cleveland Clinic, Cleveland, Ohio, USA from November 1999 to May 2002. In 2003, he was appointed a position of lecturer in the Department of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University, Egypt.

He is a member of several professional societies including: American Society of Andrology (ASA), American Society for Reproductive Medicine (ASRM), Egyptian Society of Andrology (ESA), Egyptian Society of Dermatology and Venereology (ESDV) & Egyptian Society of Sexual Medicine and Surgery (ESSMS).

He is a reviewer in many international peer-reviewed journals including *Andrologia*, *Sexual Medicine*, *Translational Andrology and Urology*, *The Journal of Current Research on Andrology and Urology*, *Australasian Medical Journal (AMJ)*, *Urology Journal* and *Advances in Andrology & Gynecology (AAG)*.

He is active in both basic and clinical research. His current research interests include topics related to Andrology (Male Infertility, Assisted Reproductive Techniques and Sexual Dysfunction) and Dermatology (General Dermatology, Cosmetic Dermatology, Dermatologic Surgery and Laser). He supervised 35 master and 5 MD thesis projects.

His ResearchGate (RG) score is 36.48 on 112 research items including 64 articles published in peer-reviewed scientific journals, a book chapter, and 47 conference papers presented in national and international scientific meetings. His h-index is 17 (excluding self-citations) and his citation count is nearly 3491 as of RG on October, 2018.

Full Name: Ramadan Saleh Abdou Saleh
Date of Birth: December 13, 1967
Place of Birth: Aswan, Egypt
Citizen: Egypt
Marital status: Married.
Address: Department of Dermatology, Venereology and
Andrology, Faculty of Medicine, Sohag
University, Sohag, Egypt

Education:

MBBCh, 1991: Faculty of Medicine, Assiut University, Assiut, Egypt
MSc, 1996: Faculty of Medicine, South Valley University, Sohag, Egypt
MD, 2003: Faculty of Medicine, South Valley University, Sohag, Egypt

Academic Appointments:

1992 - 1993 Internship, Assiut University Hospital, Assuit, Egypt
1993 - 1996 Resident, Department of Dermatology, Venereology and
Andrology, Assiut University Hospital, Assuit, Egypt
1996 - 1997 Resident, Department of Dermatology, Venereology and
Andrology, Sohag University Hospital, Sohag, Egypt
1997 - 1999 Assistant Lecturer, Department of Dermatology, Venereology and
Andrology, Faculty of Medicine, South Valley
University, Sohag, Egypt
1999 - 2002 Fellowship, Center for Advanced Research in Human
Reproduction, Infertility and Sexual Function, Urological Institute,
Cleveland Clinic, Cleveland, Ohio, USA
2002 - 2003 Assistant Lecturer, Department of Dermatology, Venereology and
Andrology, Faculty of Medicine, South Valley
University, Sohag, Egypt
2003 - 2011 Lecturer, Department of Dermatology, Venereology and
Andrology, Faculty of Medicine, Sohag University, Egypt
2008 – Till now: Consultant of Dermatology, Venereology and Andrology
2011 - Till now: Assistant Professor of Dermatology, Venereology and Andrology

2012 – 2016: Vice Dean of Community Service and Environmental Affairs, Faculty of Nursing, Sohag University, Sohag, Egypt.

2013 – 2014: Chairman of the department of Dermatology, Venereology and Andrology

2013 - 2016: Director, Scientific Research Support Unit (SRSU), Faculty of Medicine, Sohag University.

2016 – Till now: Vice Dean of Post-Graduate Students and Research, Faculty of Nursing, Sohag University, Sohag, Egypt

Current Position(s):

- Assistant Professor of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University, Egypt.
- Vice Dean of Post-Graduate Students and Research, Faculty of Nursing, Sohag University, Egypt.
- Director, Ajyal Hospital, Sohag, Egypt

Special Areas of Clinical and Research Interests:

1. Andrology:

- Male Infertility
- Male Sexual Function/Dysfunction
- Female Sexual Function/Dysfunction
- Assisted Reproductive Techniques (ARTs)

2. Venereology:

- Sexually Transmitted Diseases (STDS)

3. Dermatology

- General Dermatology
- Cosmetic Dermatology
- Dermato-pathology
- Dermatologic surgery
- Laser in Dermatology

Membership in Professional Societies:

Egyptian Society of Dermatology and Venereology (ESDV) since 1997

Egyptian Society of Andrology (ESA) since 1998

American Society of Andrology (ASA) since 2002

Pan Arab Society of Andrological Sciences (PASAS) since 2005

American Society for Reproductive Medicine (ASRM) since 2009

Egyptian Society of Sexual Medicine and Surgery (ESSMS) since 2016

Scientific contributions:

1. Submitted a review on "Klinefelter's Syndrome" for fulfillment of Master degree (MSc) in 1996.
2. Submitted a thesis for fulfillment of Medical Doctorate (MD) degree in Andrology in 2002. The title of the thesis was "Predicting Fertilization in an ART Program in Patients with Male Factor Infertility".
3. Prepared a research proposal for studying the role of apoptosis in the pathogenesis of sperm nuclear DNA damage during stay at the Cleveland Clinic Foundation (CCF), Cleveland, Ohio, USA, in 2001.
4. Prepared a research proposal for studying the in vitro effects of Melatonin on sperm quality during stay at the CCF in 2001.
5. Prepared a research proposal for studying the in vivo effects of combined oral antioxidants therapy in treatment of male infertility during stay at the CCF in 2001.
6. During fellowship at the Cleveland Clinic in 2001, he helped development of novel methods for assessment of oxidative stress in infertile men by:
 - a. Measurement of reactive oxygen species in the neat semen.
 - b. Nitroblue tetrazolium reduction test.
7. Quality control studies of seminal total antioxidant capacity (TAC) by enhanced chemiluminescence assay during stay at the Cleveland Clinic in 2001.
8. Supervised 33 master and 5 MD thesis projects till October 2018.

Publications

Book chapter:

Oxidative Stress and DNA Damage in Human Sperm: The Cleveland Clinic Story.

Ashok Agarwal, Ph.D. and **Ramadan A. Saleh, M.D.**

Book title: The Art & Science of ART

Published by Jaypee Publications , New Delhi by: Gautam Allahbadia MD & Rita

Basuray Ph.D.

The 98th Annual Meeting of the American Urological Association (AUA) (Apr 26th – May 1st 2003, Chicago, IL):

47. Rupesh Raina, Philip Kumanov, **Ramadan A. Saleh**, Ashok Agarwal, David R. Nelson, Stanislav Hubaveshki, Analia Tomova. Penile dimensions in Bulgarian boys: a population-based study on 1200 males. *AUA (May/June 2003)*.

48. Rupesh Raina, Philip Kumanov, **Ramadan A. Saleh**, Ashok Agarwal, Julie Thornton, Stanislav Hubaveshki, Analia Tomova. Incidence of genital anomalies in 1200 Bulgarian boys. *AUA (May/June 2003)*.

49. Rupesh Raina, Philip Kumanov, **Ramadan A. Saleh**, Ashok Agarwal, David R. Nelson, Stanislav Hubaveshki, Analia Tomova, Normal variations of testicular size in Bulgarian boys: a study on 1200 males from birth to 19 years. *AUA (May/June 2003)*.

50. Akshay K. Gupta , Ashok Agarwal, **Ramadan A. Saleh**, Pavithra Ranganathan, Nameta Kattal, Rakesh K. Sharma, Anthony Thomas, Jr., M.D. Varying patterns of spermograms in men evaluated for infertility: a retrospective review of 693 infertility cases. *AUA (May/June 2003)*.

The 19th Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), 2003

51. **Ramadan A. Saleh, M.D.**, Nabil Aziz, M.D., Rakesh K. Sharma, Ph.D., David R. Nelson, M.S., Ashok Agarwal. Increased production of reactive oxygen species (ROS) in semen of infertile men: correlation with sperm deformity index (SDI) and acrosomal damage. *ESHRE 2003*.

52. N. Aziz, **R. Saleh**, D. Iwan Lewis-Jones, R. Sharma, A Thomas, Jr., A. Agarwal.

Sperm morphology and seminal leukocytes as predictors of increased production of reactive oxygen species (ROS) in infertile men semen. *Fertil steril (Suppl)* 9/2003.

The 28th Annual Meeting of the American Society of Andrology (ASA), Mar 29th – Apr 1st, Phoenix, AZ, 2003

53. **R. Saleh**, A. Agarwal, P. Ranganathan, R. Raina, N. Kattal, R. Sharma. Reduced linearity and straight-line velocity in spermatozoa from infertile men with normal standard sperm characteristics. *J Androl. April 2003.*

The 65th Annual Meeting of the American Society for Reproductive Medicine (ASRM) (Atlanta, GA Oct 17-21, 2009):

54. **R Saleh**, A Agarwal. Histo-pathological patterns of testicular biopsies in infertile azoospermic men with varicoceles. *Fertil steril (Suppl)* 9/2009; 92(3).

55. **R Saleh**, R E El-Dawla, R Ismail, Wafaa Mohammed, Amre Abdel-Hamed, Ghada Abo-Sedera, MSc. Patterns of female sexual dysfunction in Upper Egypt: a cross-sectional direct questionnaire-based study of 521 married women. *Fertil steril (Suppl)* 9/2009; 92(3).

56. R Saleh, MD, R E El-Dawla, MD, Ashraf Abd El-Latif, Mohammed Abu El-Hamd, M A Moustafa, MD, Essam Nada, MD. Negative effects of male sexual dysfunction on female sexual response: a direct questionnaire of 521 married women from Upper Egypt. *Fertil steril (Suppl)* 9/2009; 92(3).

The 67th Annual Meeting of the American Society for Reproductive Medicine (ASRM) (Orlando, FL, Oct 15-19, 2011):

57. **R. Saleh**, A. Agarwal, H. Farouk, A. Abd El Hamed, A. Abd El Latif. Sperm recovery in infertile men with varicocele-associated azoospermia: results of 12 months follow up after varicocele repair. *Fertil steril (Suppl)* 9/2011; 96(3).

58. Ramadan Saleh, Esam Nada, Eman Abd El-Baset, Soha Heshmat. Prevalence and patterns of male genital anomalies in upper Egypt: a cross-sectional community-based study of 1134 infants. *Fertil steril (Suppl)* 9/2011; 96(3).

20th annual congress of Egyptian Society of Dermatology and Venereology (ESDV) held in Cairo, September 2005.

59. Ramadan Saleh, MD; Essam Nada, MD; Mahmoud Hussein, MD and Wafaa Abdel Magid, MSc. Phenotypic characterization of inflammatory cellular infiltrate in lesional skin from patients with pityriasis rosea.

17th annual meeting of Egyptian Society of Andrology held in Ain El-Sokhna, December 2006

60. Ramadan Saleh, MD. Male Gonadotoxins.

2nd Biennial Meeting of the Middle East Society of Sexual Medicine (MESSM) (31 October – 2 November 2013 Park Hyatt Hotel – Dubai, UAE:

61. Ramadan Saleh¹, MD; Mohammed Abu El-Hamd, MD; Amre Abdel-Hameed, MSc and Asraf Abd El-Latif, MSc. Patterns of male sexual dysfunction in Upper Egypt: a retrospective analysis of 2000 patients over the last 10 years.

33rd Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), Geneva, Switzerland, July 1-4, 2017.

62. Poster 1. 33rd Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), Geneva, Switzerland, July 1-4, 2017.

63. Poster 2. 33rd Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), Geneva, Switzerland, July 1-4, 2017.

73rd annual meeting of the American Society for Reproductive Medicine (ASRM) held in San Antonio, Texas, Utah, USA, October 28-November 1, 2017.

64. Poster 1. Positive effects of in -vitro Myo -inositol supplementation of cryopreserved human sperm on the outcome of cryopreservation: a randomized controlled trial 73rd annual meeting of the American Society for Reproductive Medicine (ASRM) held in San Antonio, Texas, Utah, USA, October 28-November 1, 2017.

65. Poster 2. High seminal oxidation reduction potential in cryopreserved semen from infertile men is a marker of poor post-thaw sperm quality 73rd annual meeting of the American

Society for Reproductive Medicine (ASRM) held in San Antonio, Texas, Utah, USA,
October 28-November 1, 2017.

- 66.** Poster 3. Multi-center evaluation of oxidation reduction potential assay in the
infertile male. *Fertil Steril. September 2017 Supp, 108(3):e317. DOI:*

Attendance and Active Participation in National and International Conferences

Place	Date	Chairman/Speaker/ Audience
National Conferences		
3rd clinical meeting of Dermatology and Venereology department, Sohag Faculty of Medicine held in Luxor	February 2002	Speaker
2nd Andrology symposium hosted by Sohag Faculty of Medicine and Egyptian Society of Andrology (ESA); held in Hurghada	November 2002	Speaker
20th annual meeting of Dermatology and Venereology hosted by Egyptian Medical Association, Dermatology and Venereology branch in association with Egyptian Society of Andrology; held in Cairo	September 2003	Audience
21st annual conference of Egyptian Medical Association, Egyptian Society of Dermatology and Venereology (ESDV) held in Cairo	January 2005	Audience
6th annual meeting of Dermatology, STDs and Andrology department, Al-Minya university	June 2005	Audience
20th annual congress of Egyptian Society of Dermatology and Venereology (ESDV) held in Cairo	September 2005	Speaker
16th annual meeting of Egyptian Society of Andrology (ESA) held in Cairo	December 2005	Audience
4th conference of department of Dermatology, Venereology and Andrology, Sohag Faculty of Medicine held in Aswan	February 2006	Speaker
Annual scientific conference of Sohag Faculty of Medicine held in Sohag	April 2006	Speaker
17th annual meeting of Egyptian Society of Andrology held in Ain El-Sokhna	December 2006	Speaker
Annual congress of Egyptian Medical Association, Egyptian Society of Dermatology and Venereology (ESDV) held in Cairo	January 2007	Audience
7th conference of Dermatology, STDs and Andrology department, Al-Minya University	April 2007	Audience
Annual Scientific conference of Sohag Faculty of Medicine held in Sohag	April 2008	Audience
Annual Scientific conference of Sohag Faculty of Medicine held in Sohag	April 2009	Audience
Annual Scientific conference of Sohag Faculty of Medicine held in Sohag	April 2010	Audience
Annual Scientific conference of Faculty of Medicine, Sohag University, Sohag, Egypt	April 2011	Audience
Annual Scientific Conference of Faculty of Medicine, Sohag University, Sohag, Egypt	April 2012	Audience

12 th Annual Meeting of Andrology and STDs	May 2013	Audience
2 nd Scientific Day of Faculty of Nursing, Sohag University (Future of Nursing in Upper Egypt in the Light of past Restrictions and Current Challenges).	April /2013	Head of Organizing Committee
3 rd Scientific Day of Faculty of Nursing, Sohag University (Role of Faculties of Nursing in the Advancement of Nursing Services in Upper Egypt)s	April /2014	Head of Organizing Committee
3 rd Dermato-pathology Symposium organized by Department of Dermatology, Venereology and Andrology, Faculty of Medicine, Sohag University, Sohag, Egypt.	April 2014	President
9 th Annual Conference of Sohag Faculty of Medicine , Sohag University, Sohag, Egypt.	April 2014	Speaker Chairman
1 st Annual Meeting of Department of Dermatology, Venereology and Andrology, Faculty of Medicine, Aswan University.	May 2014	Chairman Speaker
1 st Scientific Conference of AJYAL Hospital, Sun Rise Hall, Sohag, Egypt	December 25 th , 2015	President of the Conference
The Annual Conference of Dermatology and Venereology Department, Assuit University under the title of: Dermatology: Science and Art. Pyramisa, Sahl Hashish, Hurghada, Red Sea, Egypt	April 12 th -14 th , 2017	Chairman
The 4 th Annual Conference of Junior Researchers, Suez Canal Hall, Sohag University	17-18 April, 2018	Chairman Member in the Scientific Committee
1 st Scientific Day of Department of Dermatology, Venereology and Andrology, Faculty of Medicine, Aswan University. City Max Hotel, Aswan, Egypt.	May 10 th , 2018	Chairman Speaker
1 st Scientific Forum for Assisted Reproduction Unit, Qena Faculty of Medicine, South Valley University, Steigneberger Hotel, Luxor, Egypt.	October 4-6, 2018	Chairman Speaker

International Conferences		
The 96 th Annual Meeting of the American Urological Association (AUA), Anaheim, California, USA	June 2-7, 2001	Speaker
7th international congress of American Society of Andrology; held in Montreal, QC, Canada	June 15- 20, 2001	Speaker
17th annual meeting of European Society of Human Reproduction and Embryology (ESHRE) held in Lausanne-Switzerland	July 1-4, 2001	Speaker
31 st Annual Urological Postgraduate Symposium (Advances in Urology with Live Interactive Surgery) at the Cleveland Clinic foundation, USA	March 15-17, 2001	Audience
57 th annual meeting of the American Society for Reproductive Medicine (ASRM) held in Orlando, Florida, USA	October 20- 25, 2001	Speaker
58 th annual meeting of the American Society for Reproductive Medicine (ASRM) held in Seattle, Washington, USA	October 2002	Speaker
Alexandria satellite of the International congress of Andrology hosted by Pan Arab Society of Andrological Sciences (PASAS) in collaboration with International Society of Andrology; held in Alexandria, Egypt	June 2005	Audience
1 st International Congress on Aesthetic, Anti-Aging Medicine & Medical SPA Middle East, Dubai, UAE	November 2008	Audience
65 th Annual meeting of the American Society for Reproductive Medicine (ASRM) held in Atlanta, GA, USA	October 17-21, 2009	Speaker
67 th Annual meeting of the American Society for Reproductive Medicine (ASRM) held in Orlando, FL, USA	October 15-19, 2011	Speaker
2 nd Biennial Meeting of the Middle East Society of Sexual Medicine (MESSM), Dubai, UAE	31 October – 2 November, 2013	Poster Presenter
1 st International Scientific Conference of Faculty of Nursing, Glass Auditorium, Sohag University, Sohag, Egypt	April 4 th – 5 th , 2016	Conference Secretary General
2 nd International Scientific Conference of Faculty of Nursing, Glass Auditorium, Sohag University, Sohag, Egypt	April 12 th , 2016	Conference Secretary General
72 nd Annual meeting of the American Society for Reproductive Medicine (ASRM) held in Salt lake, UT, USA	October 15-19, 2016	Audience
2 nd International Scientific Conference and Workshop of AJYAL Hospital, Sohag, Egypt, in Collaboration with the American Center for Reproductive Medicine (ACRM), The Desert Rose, Hurgada, Egypt	December 21 st – 23 rd , 2016	President of the Conference
1 st Upper Egypt Conference of Obstetrics and gynecology, Maritim, Jolie Ville, Luxor, Egypt	March 7 th – 10 th , 2017	Chairman/Speaker
1 st International Conjoint Conference of The Pan Arab Society of Andrological Sciences (PASAS) in Collaboration with The Egyptian Society of Sexual Medicine and Surgery (ESSMS), Azur Hotel, Alexandria	April 6-8, 2017	Chairman

33 rd Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), Geneva, Switzerland	July 1-4, 2017	Poster Presenter
73 rd annual meeting of the American Society for Reproductive Medicine (ASRM) held in San Antonio, Texas, Utah, USA	October 28-November 1, 2017	Poster Presenter
34 th Annual Meeting of the European Society of Human Reproduction and Embryology (ESHRE), Barcelona, Spain	July 1-4, 2018	Audience

Supervision of MD and Master Thesis Projects

MD Thesis Projects:

1. Pattern of genital anomalies in male infants in Sohag Governorate.
2. Assessment of oxidative stress indices in patients with acne vulgaris.
3. A comparison between Citalopram and Escitalopram in treatment of patients with premature ejaculation: A double-blind placebo-controlled Study.
4. Y-chromosome micro-deletion analysis in infertile men from Upper Egypt.
5. Phenotypic Characterization of T Cell Population in the Recipient Skin of Patients with Stable Vitiligo Undergoing Autologous Melanocyte Keratinocyte Transplantation Surgery.

Master Thesis Projects:

- 1- Role of sperm function tests in the evaluation of male infertility (2005). (Review)
- 2- Role of zinc in skin diseases. (Review)
- 3- Analysis of skin infiltrating mononuclear inflammatory cells in skin lesions with psoriasiform hyperplasia. (Thesis)
4. Cutaneous manifestations of chronic renal failure (Review)
- 5- The efficacy of escitalopram in the treatment of patients with premature ejaculation- (2002). (Thesis)
- 6- Effects of Diabetes Mellitus on male reproductive function. (Review)
- 7- Therapeutic applications of light in skin diseases. (Review)
- 8- Peyronie's disease. (Review)
- 9- Diseases affecting skin and musculoskeletal system. (Review)
- 10- Effect of vitiligo on quality of life (2010). (Thesis)
- 11- Patterns of viral skin diseases in Sohag province. (Thesis)
- 12- Patterns of allergic skin diseases in Sohag province: Relationship with socio-demographic and environmental characteristics. (Thesis)
13. Skin manifestations in patients with liver diseases in Sohag Governorate. (Thesis)
14. Cutaneous manifestations of Diabetes Mellitus in Sohag Governorate. (Thesis)
15. Female sexual dysfunction in women with Diabetes Mellitus in Upper Egypt. (Thesis)

16. Sexual dysfunction in men with hepatitis C undergoing treatment with interferon plus ribavirin. (Thesis)
17. Quality of life in leprosy patients from Sohag Governorate. (Thesis)
18. Evaluation of sexual functions in men with leprosy. (Thesis).
19. Female sexual dysfunction in women with diabetes mellitus in Upper Egypt. (Thesis)
20. Prevalence of metabolic syndrome in patients with psoriasis. (Thesis)
21. The results of the use of an ablative fractional CO₂ laser in treatment of acne scars. (Thesis)
22. Patterns of trichogram in patients with diffuse falling of hair. (Thesis)
23. Epidemiology of superficial fungal infections in Sohag Province. (Thesis)
24. Efficacy of 5% minoxidil in 90% ethanol plus 5% propylene glycol as compared to 5% minoxidil in pure ethanol in treatment of women with androgenetic alopecia: a double-blind, placebo-controlled study. (Thesis)
25. Outcome of ICSI using cryo-preserved testicular sperm from infertile men with varicocele-associated azoospermia. (Thesis)
26. Study of pubertal changes among boys in Sohag Governorate. (Thesis)
27. The effect of in-vitro myoinositol supplementation of human sperm on the outcome of cryopreservation. (Thesis)
28. Prevalence of *Helicobacter pylori* in patients with acne vulgaris (Thesis).
29. Assessment of serum levels of 25 –hydroxy vitamin D in men with erectile dysfunction. (Thesis)
30. Assessment of serum iron and vitamin D in lactating women with telogen effluvium (2017). (Thesis)
31. Effectiveness of narrow-band ultraviolet B combined with topical tacrolimus 0.03% in treatment of patients with vitiligo (2017). (Thesis)
32. Effectiveness of topical tacrolimus 0.03% monotherapy in treatment of patients with vitiligo: a randomized controlled trial (2017). (Thesis)
34. Laboratory profiles of patients with vitiligo in Sohag University Hospitals (April-2018). (Thesis)
35. Effectiveness of microneedling plus topical latanoprost in treatment of acrofacial vitiligo: a randomized controlled trial (2018). (Thesis)

External Reviewer for MD Thesis:

1. Effects of applying clinical pathway for patients with congestive heart failure on their health status outcome. (Faculty of Nursing, 2017)
2. Impact of rehabilitation program for elderly patients with hip fracture at Sohag University Hospital. (Faculty of Nursing, 2017)

3. The effects of massage therapy on weight and length of staying premature infants at National Intensive Care Units in Sohag city. (Faculty of Nursing, 2017)

External Reviewer for Master Thesis:

1. Efficacy of griseofulvin versus terbinafine in tinea capitis as regard clinical and mycological evaluation. Qena Faculty of Medicine, South Valley University, 2016.
2. Serum level of Interleukin-17 mRNA in vitiligo patients treated by narrow band-UVB combined with medical treatment. Qena Faculty of Medicine, South Valley University, 2016.
3. Melatonin hormone level in serum and seminal plasma of patients with idiopathic oligoasthenoteratozoospermia. Qena Faculty of Medicine, South Valley University, 2018.
4. Microdermabrasion and topical tacrolimus as a novel combination therapy of vitiligo. Faculty of Medicine, Assuit University, 2018.

- **Attendance of 6 courses on the Faculty and Leadership Development Project (FLDP) (2005 – 2008).**

- **Participation in Quality Assurance Project (QAP) in Faculty of Medicine, Sohag University (2007- 2009).**

- **Participation in Continuous Improvement Qualifying for Accreditation Project (CIQAP) in Faculty of Medicine, Sohag University (2008-2010).**

- **Attendance of 8 courses on the Faculty and Leadership Development Project (FLDP) (2011 – 2018).**

- **Participation in Continuous Improvement Qualifying for Accreditation Project (CIQAP) in Faculty of Nursing, Sohag University (2016-2017).**

Nominations & Awards

1. Top 10 finalists for the **Promising Young Clinician Award** at the 17th Annual Meeting of the European Society of Human Reproduction and Embryology (**ESHRE**), Lausanne, Switzerland, July 1-4, 2001
2. **Traveling Award** from the Society for Male Reproduction and Urology (SMRU) at the 57th annual meeting of the American Society for Reproductive Medicine (ASRM), Orlando, Florida, USA, October 20-25, 2001
3. Top 3 finalists for the **F. Merlin Bumpus, Ph.D., Junior Investigator Award** in Clinical Research for the year 2001 at the Cleveland Clinic, Cleveland, Ohio, USA. Cleveland Clinic Research Day, October 25th, 2001
4. **Best poster prize** at 57th annual meeting of the American Society for Reproductive Medicine (**ASRM**), Orlando, Florida, USA, October 20-25, 2001
5. **Fellow of the year 2001 in Andrology** at the American Center for Reproductive Medicine (ACRM), Cleveland Clinic, Cleveland, Ohio, USA.
