## Free Plagiarism Checker Assessment

CheckForPlagiarism.net offers you a chance to test drive our system totally free. No obligations, plagiarism assessment of your document(s) using our [patented plagiarism checking engine](#). Simply fill out the form below to submit your document(s) and the results will be e-mailed shortly.

[CheckForPlagiarism.net](#) is a patented, in-depth, highly specialized and [paid](#) plagiarism checking service. The idea behind offering this free option is to display the capability of our [patented plagiarism checking engine](#) and to provide a free trial, if you opt to [sign-up](#) for our plagiarism checking service, or [document correction](#) service.

**Note:** only total plagiarism percentage rating is shown, not the plagiarism report, to see the [full plagiarism report](#), please [sign up](#).

We take your privacy very seriously. Your submitted document is your sole intellectual property, as soon as your plagiarism report is generated all traces of your submitted document and the corresponding plagiarism report will be deleted from our system. No third party will have access, or will ever be aware of your submission.

**Note:** [Free Plagiarism Assessment](#) is a tool intended to showcase the [unique features](#) and [publications checking](#) feature of our [plagiarism checking engine](#). It is not meant as a substitute for a [full plagiarism checking account](#). To limit system resource utilization, we have developed a *first come first serve* system queue for this free tool. If your plagiarism assessment has not been received within 3-hrs of submission, it means our free-assessment queue is full and your document did not get processed. In which case we suggest you [sign-up for a full account](#).
