Journal of Sohag Agriscience (JSAS)

Focus and Scope

Journal of Sohag Agriscience is a peer-reviewed international journal, publishing original, basic and applied research articles in the areas of crop and animal science, basic and applied sciences related to Agriculture, Agric. Economics/Rural Sociology, Environmental Sciences, Product derivations, etc. Journal of Sohag Agriscience is a quarterly journal highlighting original contributions on all disciplines of agricultural research conducted in any part of the globe.

Types of paper

Regular Articles: These should describe new and carefully confirmed findings, and experimental procedures should be given in sufficient details for others to verify the work. The length of a full paper should be the minimum required to describe and interpret the work clearly.

Short Communications: A Short Communication is suitable for recording the results of complete small investigations or giving details of new models or hypotheses, innovative methods, techniques or apparatus. The style of main sections need not conform to that of full-length papers. Short communications are 2 to 4 printed pages (about 6 to 12 manuscript pages) in length.

Reviews: Submissions of reviews and perspectives covering topics of current interest are welcome and encouraged. Reviews should be concise and no longer than 4-6 printed pages (about 12 to 18 manuscript pages). Reviews manuscripts are also peer-reviewed.
