**General surgery skills:** I had got many experiences in dealing with all minor and most of the major general surgical operations.

### **Plastic & reconstructive surgery skills:**

In the field of plastic surgery I deal with post burn and post traumatic deformities, congenital facial anomalies (cleft lip and palate), the grafts and flaps, skin and head and neck tumors (excision and reconstruction).

In the field of traumatology, I deal with all soft tissue injuries and facial fractures (frontal, naso-orbital, maxillary and mandibular fractures).

Breast surgery both the reconstructive and aesthetic surgery.

Rhinoplasty, Otoplasty, Lipofilling, and hand surgery.

### **Scientific Contributions:**

Submitted a thesis on (Surgical management of fistula-in-ano ) for fulfillment of M.Sc. degree in 2000.

Submitted a thesis on (Conservative Treatment of Breast Cancer:

*Mohamed Abdelraheem Shoeib, M.B.B.Ch., M.Sc,MD*

Reconstructive Problems and Symmetrization) as a partial fulfillment for MD degree in Plastic Surgery, April 2008.
