

SCIENTIFIC PERSONAL PROGRAM

Dear Professor Essam Elbadry Hashim

On behalf of ESCTS Board and Scientific Committee, we have the pleasure to invite you to participate in

ESCTS 2019 Conference

The Conference will be held at Hilton Heliopolis Hotel - Cairo, Egypt, from 17th to 19th of April 2019.

We will be appreciating your valuable participation in the activities of ESCTS 2019

**The program this year is unique, innovative very progressive, where all types of sessions will be available from sessions, classroom sessions, lectures, competitive abstracts, also this year we prepared more than live in a box, which you won't like to miss any of them.

The following is your detailed scientific personal program during the conference
