

Name: _____

Group members: 1) _____

2) _____

3) _____

1) Describe briefly the strategy your group used for organizing and sharing responsibility for completing this written assignment. Include in this description how your group decided it had a finished essay, and one of high quality.

2) For each of the following criteria, use the point scale provided to rate the contributions of your group members to the written assignment. Please write a short summary of each member's performance to justify the score you give.

a) On a scale of 1-5, with 5 being the highest possible score, rate the contribution of each group member to the planning and organization of the essay.

b) On a scale of 1-10, with 10 being the highest possible score, rate the quality of the contribution of each member to the essay.

c) On a scale of 1-5, with 5 being the highest possible score, rate the extent to which each group member completed their assigned tasks in a timely manner.

Name of group member #1: _____

a) planning and organization (range 1-5) _____

b) quality of group member contribution (range 1-10) _____

c) extent to which member completed tasks on time (range 1-5) _____

Name of group member #2: _____

a) planning and organization (range 1-5) _____

b) quality of group member contribution (range 1-10) _____

c) extent to which member completed tasks on time (range 1-5) _____

Name of group member #3: _____

a) planning and organization (range 1-5) _____

b) quality of group member contribution (range 1-10) _____

c) extent to which member completed tasks on time (range 1-5) _____

3) Use the remaining space to provide feedback on this assignment, including suggestions that would improve the overall experience.
